For 2nd fire station

1.5 mills enough- CAC

By RICHARD GOLD

If the township board follows the final recommendation of the Citizens' Advisory Council, there will be a 1.5 limit on the fire special assessment district levy, should it pass on May 18.

On Tuesday, the CAC turned in its final report to Supervisor Robert Greenstein which said, "We believe that Canton Township has a need for a second fire station."

The report says one to 1½ mills over five years would be sufficient to both construct and staff a second station based on a five per cent increase in SEV annually.

The report draws on information provided by Treasurer Carl Parsell, township planner Mike Manore, Fire Chief Mel Paulun and a survey conducted by the Michigan Fire Chiefs Association.

According to information provided them, CAC members expect an annual growth of 750 to 1,000 new homes and they say, that should be sufficient to cover costs of the new station.

THE CAC REPORT projects a cost of $200,000 to build the second station at Warren and Haggerty, and a cost of $22,000 per each of 12 men to staff the station.

Equipment costs are expected to run about $6,000.

The report suggests the possibility of extending the millage to 10 years to provide for future stations.

While the report favored construction of a second station, it listed both pros and cons for adding a second station.

In favor of the station, the report listed:

- Reduction in response time for fire and rescue runs.
- Two stations can better handle simultaneous runs for more populous areas.
- More favorable insurance rates.

Arguments against a second station included:

- Manmade and natural barriers (I-275, tracks, winding streets).
- Increased initial tax burden.
- Fire chief's report saying "The first station has been added to twice and although crowded, is adequate at this time.

As an alternative, the CAC report suggested the possibility of staffing the second station with volunteers.

LIKE THE CAC report, the fire chief's survey came to the same conclusion—"There is a need for station number two right now."

The report says the site purchased by the township is "an excellent location" and it suggests three other locations for future stations; Michigan between Lilley and Haggerty, Geddes and Denton, and Ridge and Warren.

These locations, the chiefs say, will enable "attack pumpers to converge toward the center and yet give an acceptable response into each corner" of the township.

The chiefs encourage maintaining the current station as headquarters, and building smaller outlying stations no larger than two bays wide.

The chiefs also recommend that a master plan for fire protection in the township be developed and that a policy be reached by the township board as to what response time is acceptable.

Given a three or four minute response time as adequate, the chiefs suggest the five station configuration.

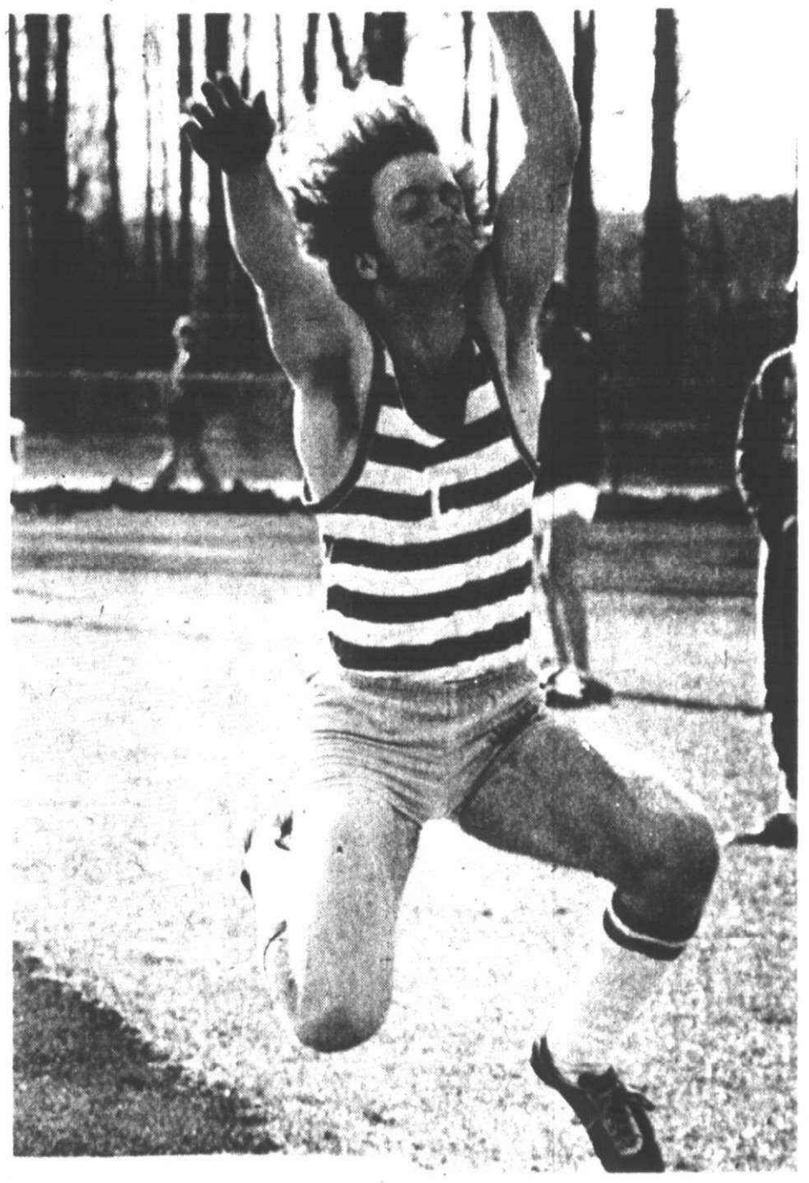

The chiefs also suggest purchase of more minor equipment, and extra training for both officers and firefighters.

ALSO RECOMMENDED is a complete look at the policy of rescue runs because an increasing amount of time each year is devoted to the ambulance-type service, with rescue runs outnumbering fire runs almost 2—1 last year.

While the township administration has received two reports on the fire protection capabilities in Canton, it awaits one more report from the Michigan Office of Insurance Services.

That survey, presently under way, may help sell the millage if it says that a second station will improve the township's fire insurance rating.

Currently, the township is rated at between 8-10 (10 is the worst rating possible) depending on location in reference to hydrants and the present station.

Straining for distance

Canton's Scott Pederson puts an all-out effort in the long jump. Pederson set a new school record against Divine Child a week ago, as the Chiefs were edged. Things were not as good Thursday. For the results see today's sports section. (Staff photo by Gary Caskey)

For supervisor

Bundarin announces

Commenting on the need for more professionalism in township government, Peter Bundarin announced Thursday he will seek the office of supervisor of Canton this fall.

Running as a Republican, the 36-year-old attorney promised that, if elected, he would turn over the day-to-day administration of township government to a superintendent as provided for in the charter township act.

A Cornell University labor relations graduate and a 1974 Wayne State law graduate, Bundarin said he intends to run as a "progressive, offering alternatives" to the current adminstration headed by Supervisor Robert Greenstein.

A former backer of Greenstein, Bundarin said he had become alienated by the supervisor's approach to township government—one he labeled too extreme.

"I think there is a viable alternative to the current type of progressive government we have in Canton. There has been a lot of legislation that has been progressive, but it's not always the same when it's written and implemented as when it's presented.

"Often, the supervisor tells us there are no alternatives—as in the case of the master land use plan.

"He tells us it's a black and white case—either we have 100,000 people in the township or 200,000.

"Well, when I went to school there were 99,999 numbers between 100,000 and 200,000, and I think there are many alternatives to the programs Greenstein presents."

PETER BUNDARIN

BUNDARIN, BORN in New York State, and a resident of Canton for the last five years in Holiday Park subdivision, opposes the proposed master land use plan so heavily endorsed by Greenstein.

"I favor the Petaluma plan," he said. "I think we should limit the number of building permits to 5,000 total over the next 10 years. Of course, the first few years we'll have to issue more than 500, because builders already have a vested interest because they've started houses, but later on, we'll slow it down so we have no more than 5,000 new houses within 10 years.

"The plan is legal, and I think it's the best way to control growth. Things are out of control now. In a few years we'll have 900 new homes in Sunflower and several hundred more in Mayfair with at least two children per home."

Bundarin, who counsels two subdivision park associations, Pickwick and Windsor Park, and has assisted Total Citizen's Power in its charter, said he favored retaining agricultural land where there are viable farming interests willing to continue farming.

"I think most of the land in the west half of the township is not owned by farmers, but rather speculators, and a lot of the land is not suitable for farming.

"I WOULD PREFER to see larger lots and more estate-like houses in the west half of the township. That would bring the executives, who would in turn bring the factories and businesses with them.

"As for the farmers who wished to remain, I would work with them and help them enroll in the state soil preservation program."

Bundarin said that more commercial tax

(Continued on page 3A)

Middle school boundaries set

The Plymouth Board of Education Monday night approved the boundaries for the middle schools for school year 1976-77.

Acceptance of the boundaries was by a 5-2 vote with trustees Flossie Tonda and Joe Gray voting no.

The boundaries adopted are those as recommended by the boundary and attendance committee in the public hearing last month, with these exceptions:

East Middle boundary was extended to include all of Field Elementary;

Pioneer Middle boundary was extended to include all of Eriksson Elementary; and,

The boundary between West Middle and East Middle schools running along Main was extended to Joy Road, with children living east of this boundary attending East and those living west continuing at West.

Mrs. Tonda objected to the transfer of 200 students from the Allen attendance area to Central because it would have negative effects on the music and athletic programs at East. She suggested Field Elementary pupils go to Central, Eriksson pupils to Pioneer, and Allen Elementary pupils stay at East.

Trustee E. J. McClendon said he was concerned with the impact of the recommendations on East Middle. "The school's mobile population is a serious concern, but we must make sure transportation cost doesn't get excessive. Weighing these two factors, I believe the administrative recommendation is a good compromise."

Gray said: "I support Mrs. Tonda's position because they have finally got things going at East and have a strong PTO now. I'd sure like to see the programs at East beefed up and we need strong parental support to do it."

Marcia Browski said Mrs. Tonda made an excellent point but projections indicate the most logical place for the next middle school will be in the middle or southern portion of Canton Township. "This will require a change of Allen's boundary in the future and it was felt best to make the change now to stabilize the area because this pattern will hold for quite some time. It is a major change for this year but will inject some permanence."

Trustee George Lawton added: "I had some of the same concerns when we started going over this but had the opportunity to sit in on a boundary committee meeting and I don't have any alternatives in mind that are any better."

Approval expected

Master plan vote Tuesday

By Wednesday, Canton Township will probably have an approved master land use plan if all goes as expected Tuesday night.

After three years of toil, reappraisal, public hearings and more work, the planning commission is expected to take action on a proposed master land use plan that will preserve more than 5,000 acres of land in western Canton for farming.

Early indications are that the plan has at least four votes and possibly as many as six and will be passed by the seven-member commission tomorrow night.

The meeting is scheduled for 8 p.m. in the township firehall at Canton Center and Cherry Hill.

LAST THURSDAY, commission members held their final conference on the plan to iron out the last few areas of disagreement and go over complaints voiced at the March 1 public hearing.

"We went over the Michigan Avenue corridor west of Canton Center and the intersection of Napier, Joy and Ann Arbor Road," said commissioner Bart Berg.

Land fronting Michigan Avenue west of Beck to Denton Road will be zoned small farm under the plan, and the intersection of Ann Arbor Road and Joy will be zoned highway-oriented commercial if the plan is passed.

Those two areas and Canton Center between Ford and Warren are the only changes that have been made on the plan since it was presented to the public more than two months ago.

Originally, 40 acres of land on Canton Center had been zoned commmercial between Ford and Warren under the proposed plan, but that was changed when the developer of the property petitioned the township to have his PUD contract altered to allow the land to become single family residential.

APPROVAL OF THE plan, however, will not have an immediate effect on land use in the township.

While the planning commission is charged with establishing a plan, it is the township board that implements any zoning changes through a zoning ordinance.

The master plan serves as a guideline for the board when it draws up the zoning ordinance accompanying the plan, and without the ordinance, the master plan is unenforcable.

According to township planning consultant Mike Manore, drafting an ordinance may take as long as six months, and at that time it will be up to the board to approve or reject the ordinance.

Voters may have some say in the matter when they go to the polls May 18, regardless of the action the planning commission takes.

An advisory question on land use is on the ballot and it offers voters the choice of two concepts—full development of the township or "half-urbanization" with the western half of the township devoted to agricultural uses.

It is expected that Supervisor Robert Greenstein, probably the biggest advocate of the plan presently before the planning commission, will hold an informational hearing on the plan prior to the May 18 vote.

At that time, Greenstein is expected to attempt to "sell" the plan by answering any questions that may remain about it.

Parish organizing

On Monday, April 26, 7:30-9:30 p.m., a meeting will be held at Miller School to discuss the formation of a new Roman Catholic parish in Canton.

Although the new parish will operate administratively as a distinct unit effective May 1, a formal request to the Archdiocese for parochial status is needed soon.

The meeting will provide an opportunity to suggest goals, respond to questions, and to discuss the future of the commmunity.

The parish, which will be located at the northwest corner of Warren and Sheldon, eventually will be under the guidance of the Rev. Edward Baldwin, and will serve parishioners within the boundaries of Joy Road on the north, Canton Center on the west, Ford Road on the south, and Haggerty Road and I-275 on the east.

The parish will also serve, for the time being, those people who live in the area between Ford and Cherry Hill and Canton Center and I-275.

ALL INTERESTED people living within those boundaries are invited to attend the organizational meeting at Miller.

Parishioners from Canton are also invited to submit names for the new parish to Father Baldwin, who is temporarily maintaining an office at the Our Lady of Good Counsel Parish House.

The deadline for submitting names is

Bill Collins, well-known as a sports writer for the Observer & Eccentric, not only does well at a typewriter but excells at the radio microphone. (Staff photo)

Collins wins radio tourney

Two Plymouth Salem students—Bill Collins and Scott LaRiche—placed first in regional competition of the Michigan High School Forensic Association.

More than 50 high schools were represented as two qualifiers at the district level in each event competed with the top three finishers in each event.

The regionals were held April 14 at Plymouth Salem High. The winners now advance to the state finals at University of Michigan on Saturday, May 8.

Collins, a Plymouth Salem senior and sports writer for the Observer & Eccentric, won the radio broadcasting division. Plymouth Canton High's Gary Sieber finished right behind Collins.

Both have dominated the tournaments they have entered, and both will now advance to the finals in Ann Arbor.

Plymouth Canton sent two more representatives to the finals as juniors Sinda Nicols and Lisa Lambert placed second and third respectively in the serious interpretive division.

The other first place winner was Plymouth Salem junior LaRiche who won the humorous interpretive division.

All winners received superior rating certificates from the state forensic association.

Community service seminar slated by C-C

A community service information seminar will be held during Michigan Week in May under sponsorship of the Plymouth Community Chamber of Commerce in conjunction with the Plymouth Parks and Recreation Department.

The proposed dates are May 17-19.

The Chamber is now seeking out those agencies representing the mental and physical health organizations which make their services available to Plymouth residents.

"The Chamber has found there is a definite need for exposing the various organizations to local residents," said Janet Curlee, executive secretary of the Chamber. "Many organizations aren't based in the Plymouth area but do serve our area—such as the Easter Seal Association and American Red Cross. These organizations, although not based here, do have representatives and branches which will service the needs of the community.

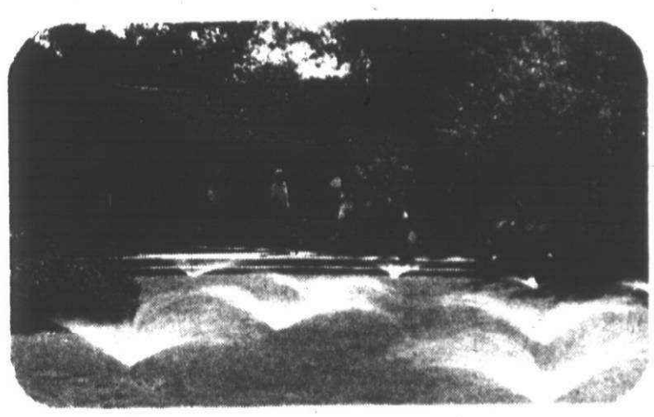

"We feel, through an information seminar where the organizations are able to set up displays and distribute literature relating to their service, we will be assisting the organization in exposing their service and benefit the residents by showing just what is available."

The Chamber is now seeking out organizations which would like to participate in the seminar to be held in the Plymouth Cultural Center, 525 Farmer. Anyone interested should contact the C-C and speak with Mrs. Curlee at 453-1540.

"There will be no charge for participating in the seminar as an organization and there will be no charge to the public to view the displays," she adds.

Bunny arrives to spread Easter cheer

Easter bunny was in town this weekend to distribute goodies to local youngsters from Plymouth-Canton, and help spread the cheer of Easter.

At left, little Mary Beth Brundage, age 2, digs in deep for jelly beans. Below Tommy Pierce selects his favorite color candies.

The live bunnies were seen hopping in the First National Bank of Plymouth and were photographed by Elinor Graham while Gary Caskey was using his lense to get a picture of Dave Baldwin stopping his bicycle to chat with Bunny.

M-14 plans revealed

By W.W. EDGAR

After months and months of speculation and conjecture over the route the new M-14 highway will take to cross Northville Road, it now has been learned that it will be depressed from Haggerty to Sheldon.

This is the word passed along by Frank Simmons, district manager of the State Highway Commission, who also let it known that contracts for the work will be let during July and August.

Originally, the contracts were to be let this month but, according to Simmons, some difficulty arose over a bit of right of way. This now has been cleared and the route established.

For several years ever since the new M-14 was announced there have been all sorts of plans advanced for the area at Northville Road.

ONE OF THE first plans stressed was a demand for an exit at Northville Road. This was asked as an accommodation for the new Plymouth Hilton Hotel.

When that request was turned down, due to the close proximity of the sprawling interchange at Haggerty Road on the line between Livonia and Plymouth the conjecture then took several turns.

Because of the deep valley adjacent to Northville Road it was stated that the most logical plan would be to go over the road with a bridge. Then the question arose as to how far it might be extended.

Another group was just as certain that the plan would call for a depressed route that would take it under Northville Road and continue on, and possibly under Sheldon. There once was a movement on foot to have an exit at Sheldon to accommodate the employees at the Ford Sheldon Plant and Western Electric, where the railroad also has been a problem for many years.

ALL THE CONJECTURE was removed with the latest announcement that the new highway would be depressed from Haggerty to Sheldon.

This means that the route will not only go under Northville Road, but will also eliminate the major problem of the deep valley.

When this is completed the highway will be depressed from Redford to Livonia and now to the halfway point in Plymouth Township.

As to when the work will be finished and traffic allowed to take the new route into Ann Arbor, Simmons was not sure but said it "probably will be about two years."

The contracts for the work in Washtenaw County have been let and many of the bridges are under construction along the way to Curtis Road where it will join U.S. 23.

The piers already can seen along the route and it may be that the Washtenaw end of the highway will be completed before that in Wayne County.

To settle any question as to where the route will cut under Northville Road it will be between Mc Allister's gas station and Dr. Garry Hall's dental office and change the entire view of the picturesque Northville Road route along Phoenix Lake.

But it still is two years away, at least. That's the word from the State Highway Commission.

Bundarin running

(Continued from page 1A)

base is needed in Canton, and that the strict sign ordinance passed by the Greenstein administration has hurt Canton's commercial growth.

"There are areas where businesses need more visibility—I don't miss the golden arches, but people need some notificiation that a business is there, or they'll drive right by it. The ordinance makes Canton a less attractive place to locate for many merchants."

In the area of public safety, particularly for fire and police protection, Bundarin said a great effort should be made to coordinate with Plymouth Township and the city of Plymouth.

"I think we're part of a larger community, and we should consider a larger district for a police department and for fire protection—there's no point in duplicating, and we could certainly draw on the experience of the Plymouth police department.

Bundarin said he favored construction of the new fire station and added that the special assessment district was as good a route to go as a specific millage, provided the board placed a five-mill limit on the levy for additional fire protection.

Bundarin said he hoped for the endorsement of the Republican Independent Club and said he wanted to run with candidates for four other township offices—although not as a slate.

"I'D LIKE TO run on a ticket, with candidates for the two trustee spots, clerk and treasurer, but that won't mean, if I do that, we guarantee to vote the same way on everything.

"It will just mean that we think alike and have the same philosophies."

Perhaps Bundarin's strongest campaign pledge was to turn the executive duties of the township over to a professional.

"The township should be run and managed like a business—efficiently and professionally. That takes someone who knows about administration.

"Most politicians don't want to turn over their power to a city manager or superintendent, but I think that's the best way to go.

"Right now, the township government has become a personality—Bob Greenstein's.

"We need a professional administrator for the day-to-day working, and the supervisor and board should be involved in long-range policy decisions."

Bundarin said that if a superintendent were hired he would be paid commensurately with a city manager's salary, and the supervisor's pay would be reduced to that of the treasurer—about $7,000 annually.

Council asks for more training

An effective, well thought out in-service training program for faculty should be given a high priority if the schools are to implement any of the improvements suggested by the Citizens Advisory Council (CAC).

That is the conclusion of the in-service work group of the CAC which has reported its recommendations to the Plymouth Board of Education.

Work group members making the recommendation were Kari Miller, Jane Watts, Jobel Bollas, Carolyn Kleinsmith, Carol Carlson, Marylou Durbin and Bill Horn.

THE GROUP STATED the strong points of existing training programs are existence of building and staff for teacher in-service and a strong desire by teachers for meaningful in-service programs.

The citizens group saw as weaknesses: lack of input from teachers and administration, lack of adequate and timely release-time, and lack of funding for proper in-service training.

The report defined in-service as a means through which teachers can maintain the degree of professionalism which reflects growing self confidence, stimulates imaginative teaching methods, broadens educational philosophies, permits personal initiative, and acknowledges the teacher as a professional.

AN IN-SERVICE STEERING committee should be organized and assigned the responsibility of overseeing the total district in-service program, the work group said.

The steering committee should have authority to enact and carry out whatever action is needed to meet the collective and specific needs of the district staff.

The committee should consist of one school board member, one administrator, one teacher union representative, a citizen-at-large, one elementary and one secondary teacher.

The members should serve one- and two-year staggered terms and meet monthly during business hours, with release-time provided for the three teachers. The work group suggests the steering committee have an annual budget of $2,725.

The steering committee would appoint an action committee to meet specific in-service needs. It is suggested that a teacher in-service representative from each building be chosen by the principal in conjunction with the teachers union. That representative would receive input from teachers and relay the information to the proper channels.

FOR RELEASE-TIME, the work group suggests two full days at the beginning of the school year.

Other release-time suggested includes two half-days district-wide in-service, half-day building in-service, and two half-days individual release-time, scheduled through the principal.

"It is essential that a catalyst exist to activate in-service programs," stated the work group. "We support the board's current action of seeking federal and state monies to fund a staffed in-service center. We recognize the importance of citizens' input into any meaningful program. We as a committee volunteer to serve in any advisory capacity the board desires.

"In conclusion, it is inconceivable to us that significant changes can be made in any area this CAC is studying without first recognizing the priority of a well thought out in-service program."

Parish starts

(Continued from page 1A)

April 26, and the name must include the submitter's name and reason for the choice.

Presently, 10 couples have been asked by Father Baldwin to act as an advisory board for the new parish.

They will serve as consultants, seeking out and accepting new members who may also wish to serve the parish in some capacity.

Members of the advisory body are: Charles and Rita Barnes, George and Anne Benington, Ron and Sandy Derham, James and Kathleen Hayes, Gene and Joan Kijek, Ron and Dollie Lieberman, Ron and Noel Lustig, Bill and Ann Storbeck, Joe and Tina Wisniewski, and Larry and Sharon Zeleji.

Presently, families within these boundaries are serviced by Our Lady of Good Counsel Parish of Plymouth with a Sunday Mass at Miller School.

It is estimated that more than 800 Catholics reside within the boundaries of the new parish.

NURSING HOME CARE IS AVAILABLE
at Health Saving Services member convalescent homes in Livonia, Plymouth and Dearborn Heights for seven hours during the day; overnight; for a few days; a weekend; a week, or on a continuing basis. Social directors help make new friends and fill the day with pleasant activities geared to each individual's energy levels. Registered nurses provide constant attention, medicines are dispensed and physical therapy and special diets are provided. All homes are accredited by the Joint Commission on Accreditation of Hospitals. All are participants in the Blue Cross Extended Care Plan.

Save for your retirement and enjoy a special tax break, too.

You may have missed an important tax-saving opportunity last year. But it's not too late to start providing a guaranteed income for your retirement and a tax deduction for next year—and for every year after that until you retire.

If you are self-employed or not covered by any retirement plan, you can open an Individual Retirement Account at Detroit Bank & Trust and start enjoying the benefits of a tax-sheltered retirement plan.

You are eligible for an I.R.A. if you're not currently participating in a retirement plan.

An Individual Retirement Account, or I.R.A., may be opened by any employed or self-employed person not currently covered by any other retirement plan. Even if you are already enrolled in a retirement plan, but have a working spouse who is not, he or she is eligible.

A tax-shelter makes your money worth more now...and when you retire.

All contributions to your I.R.A. are fully tax deductible. What's more, even the interest earned on this account is exempt from income tax until it is withdrawn. And when you finally begin making withdrawals, you pay taxes only on the amount you withdraw each year. Like savings accounts, however, I.R.A.'s offer a range of plans paying annual interest rates from 5½ to 7½ percent and are insured to $40,000 by the Federal Deposit Insurance Corporation. These are the highest interest rates that any bank can pay.

Make deposits as often as you like—up to $1,500 annually.

Regulations only permit you to save a maximum of $1,500 a year, or 15% of your annual wages, whichever is less. You can open an Individual Retirement Account with just $25, then it's up to you when and how much you want to deposit, in amounts of $25 or more, up to your maximum each year. You can add to your account each payday and when your savings reach $1,000 or more, they can be converted to 6-year 7½% Investment Certificates; or if you make your annual deposit in one lump sum, you can put it into 6-year 7½% Investment Certificates at that time. The money must remain on deposit at least until you reach age 59½, unless you become permanently disabled. Should you withdraw prior to that, Federal regulations for Investment Certificates require that you pay substantial penalties on the amount withdrawn, and I.R.A. regulations impose further penalties for premature withdrawals.

Tax-sheltered savings in an I.R.A. accumulate much faster than other savings plans.

This chart shows what you could accumulate if you invested $1,500, before taxes, at the beginning of each year.* The first column shows how your interest accumulates with the help of a tax-sheltered I.R.A., the second shows how your interest accumulates without the help of a tax-sheltered I.R.A. and the third shows the difference.

At the end of	7½% Interest with help of a tax-sheltered I.R.A.	7½% Interest without help of a tax-sheltered I.R.A.	You gain with an I.R.A.
10 years	$ 23,090	$15,528	$ 7,562
20 years	71,633	42,780	28,853
30 years	173,688	90,603	83,085

*Table assumes taxpayer is in a 25% tax bracket and that the total contribution is deposited at the beginning of each year.

It's easy to start an Individual Retirement Account.

It's as easy as opening a savings account. Just let your DETROIT BANK-er know you want to open an I.R.A. and as little as $25 will get you started. Establishing a useful tax-shelter is another good reason why you ought to know a DETROIT BANK-er better.

Orchestra plans dinner, concert

The Livonia Youth Symphony will hold its annual pops concert and old fashioned box social to raise money for the scholarship fund on Saturday, May 8, at Churchill High School, 8900 Newburgh.

Serving will begin at 5 p.m. and the concert featuring all three symphony orchestras will begin at 7:30 p.m.

The scholarship fund provides winning members who perform in the scholarship competition with monetary awards which they are encouraged to use to further their musical talents.

Profits plus the personal contributions by parents and friends are the main source of income for the fund.

This is one of two concerts in the season when the audience can hear the progression of abilities performed by area students in The Livonia Youth Symphony Society.

Some performers with conductor Albert Larson's String Orchestra have only been studying symphonic literature since fall, while there are members of The Senior Orchestra, known also as the youth symphony and conducted by Lester Farkas, who have been performing with LYSS for eight years.

Robert Randall conducts the largest group, the junior orchestra, which has members from junior high and senior high schools who are in the intermediate stage of symphony orchestra performance.

The May 8 program will be varied with new and old popular themes. The youth symphony will perform "The 1812 Overture" complete with sound effects as a grand finale for the concert and the season.

"Steam Heat," a barbershop quartet composed of Churchill High girls, will rove through the tables during the social. The costumed singers will be Marianne Savitskie, Sue Trudgeon, Julie Bloxsom, and Elayne Devlin. Marianne and Sue are also members of the symphony.

A program will be presented for the supper audience in the cafeteria between 6:30-7 p.m. by the "Senior Citizens Kitchen Band."

Tickets for the evening are $3.50 for adults and $2 for senior citizens and children under 12.

Reservations should be made before May 1 by calling Mrs. David Stockman or Mrs. Robert Richard of Livonia.

Tickets for just the concert will be $1.50 for adults and .50 cents for all students with senior citizens admitted free.

Have a look at Lindy's plane

Charles A. Lindburgh climbed into his monoplane "The Spirit of St. Louis" in New York on May 20, 1927 and took off for Paris in an attempt to win a $25,000 prize offered for the first solo nonstop flight across the Atlantic.

Lindbergh's plane was stocked with 451 gallons of gasoline and 20 gallons of oil, but no lights, heat, radio, automatic pilot or de-icing equipment.

Thirty-three and a half hours later, "Lucky Lindy" landed in Paris and was greeted by a cheering crowd of 100,000.

An exact replica of Lindbergh's plane—the one used by actor Jimmy Stewart in the movie "The Spirit of St. Louis"—is on display at the Henry Ford Museum in Dearborn.

Matt Burke (Bo) and Julie Milazzo (Cherie) rehearse Theatre Guild of Livonia-Redford production of "Bus Stop."

Comedy 'Bus Stop' to end season

The Theatre Guild of Livonia-Redford will close its season with "Bus Stop," William Inge's warm-hearted and vigorous comedy.

Performances are scheduled Friday and Saturday; also April 30, May 1, 2, 7 and 8 at 15138 Beech Daly (just south of Five Mile Road), Redford. Curtain time is 8:30 p.m. (7:30 Sunday). Reservations are recommended, for tickets or information, call 538-7459 or 261-7996.

"Bus Stop" is the story of an overnight scrap between a couple of stranded, stubborn, appealing people. A bus out of Kansas City pulls up at a cheerful roadside diner in the middle of a howling snowstorm. All roads are blocked and five weary travelers are going to have to hole up until morning.

Cherie, a would-be chanteuse, scurrying through the doorway in a spangled nightclub gown and a seedy fur-trimmed jacket, is the passenger with most to worry about. She's been pursued, made love to and finally kidnapped by Bo Decker.

Bo is a 21-year-old cowboy with a ranch of his own and the romantic technique of a headstrong bull. The belligerent cowboy is ready to sling Cherie over his shoulder and carry her, kicking, all the way to Montana.

EVEN AS SHE'S ducking his clumsy but confident embraces and screeching at him furiously to shut him up, she pauses to furrow her forehead and muse, "Somehow deep inside of me I got a funny feeling I'm gonna end up in Montana."

In counterpart to this romance, Grace, the proprietor of the cafe, and Carl, the bus driver, at last find time to develop a friendship of their own; Dr. Lyman, a middle-aged scholar, comes to terms with himself; and Elma, a young girl who works in the cafe, gets her first taste of romance.

On Broadway, Kim Stanley created the role of Cherie; Marilyn Monroe starred in the movie version. Julie Milazzo of Livonia leads the Livonia-Redford cast. Ms. Milazzo was seen last year as Goldie in the guild's production of "Two by Two."

Others in the cast are Matt Burke of Detroit (Bo), Fred Bush of Franklin (Dr. Lyman), Craig Collicott of Saline (Bo's friend Virgil), Tom McDonnell of Redford (Carl), Verna Paul of Taylor (Grace), and Julie Rotary of Livonia (Elma).

Dr. Mary Ann Brownlee Vosgerchian of Livonia is the director. Dr. Vosgerchian directed Livonia-Redford's two prize-winning entries in the theater festival at the Detroit Art Institute, "The Lion in Winter," and "I Never Sang for My Father." Livonia Mary Hay is assistant director; Jean Schirmer of Detroit and Fred Bush are coproducers.

Where There's Life

CURRENT ATTRACTIONS

Exhibit of Student Work at Schoolcraft College Northville, Cooke Center, through April 23. Work includes drawings, design, painting and printmaking. Hours 9 a.m. to 9 p.m. Monday through Thursday.

"Even if the cigarette tested had 60% more tar than MERIT, a significant majority of all smokers tested reported new 'Enriched Flavor'™ MERIT delivered more taste."

—American Institute of Consumer Opinion

Extensive taste-testing with thousands of smokers shows 'Enriched Flavor'™ MERIT delivers more taste than higher tar brands.

The bottom line was conclusive: In a series of taste tests conducted for MERIT by the American Institute of Consumer Opinion, smokers from all across the country judged MERIT to have more flavor than five leading low tar cigarette brands.*

What's really startling—and of major importance to all smokers—is that MERIT has less tar than these five brands.

Less tar. Yet more taste.

That's the report on a remarkable new taste process called 'Enriched Flavor.' A way to pack tobacco with extra flavor without the usual corresponding increase in tar.

'Enriched Flavor.' It's exclusive to MERIT. The cigarette with only 9 mg. tar, one of the lowest tar levels in smoking today.

MERIT MENTHOL is packed with 'Enriched Flavor' too. And in similar tests, 9 mg. MERIT MENTHOL was reported to deliver as much —*or more*—taste than the 11 mg. to 15 mg. tar menthol brands tested.

You've been smoking "low tar, good taste" claims long enough. Now smoke the cigarette.

MERIT.

MERIT and MERIT MENTHOL

*American Institute of Consumer Opinion. Study available free on request. Philip Morris Inc., Richmond, VA 23261

© Philip Morris Inc. 1976

9 mg. "tar," 0.7 mg. nicotine av. per cigarette by FTC Method.

Warning: The Surgeon General Has Determined That Cigarette Smoking Is Dangerous to Your Health.

Defending champs strong

Dearborn drops Rocks

By GREG AUSTIN

Plymouth Salem's track squad lost to Dearborn High last Wednesday, 84-46, but the lopsided defeat was not all bad for the Salem thinclads.

Dearborn, defending Suburban-8 conference champion and perennial Class A track power, recently won the outstate trophy at the celebrated Mansfield Relays in Ohio.

"I was very pleased with the final score," Salem coach Gary Balconi said. "We walked away with our heads held high."

"We worked right up until the meet we didn't ease off at all," he said.

The meet saw a number of fine performances by Salem's squad of talented sophomores.

Sophomore Scott Klean won the two-mile run with a time of 10:00.3, just one-tenth of a second off the school record. Current record holder Curt Judd, a junior, took third place with a time of 10:34.5.

Bob Dasher, another sophomore, took second in the discus throw with a toss of 112 feet 7½ inches, and third in the shotput with a heave of 45 feet 11¼ inches. Balconi has high hopes for Dasher.

"Bob's just a sophomore. He's a big kid at 190 pounds and he has a lot of potential," Balconi said.

Bob Spisich of Salem won the high jump with a leap of five feet 10 inches, slightly under his performance of last week.

"Bob went six feet 2 inches against Trenton, and is capable of clearing six feet consistently," Balconi noted.

Spisich also took second in the long jump with a jump of 20 feet 6 inches.

Mark Coma won the pole vault with an 11-foot vault, and freshman Dan Ogden placed third with a 10½-foot jump.

Sophomore Chris Ritchey clocked a 52 second quarter mile, good for a second place.

Greg Davis, also a sophomore, placed second in the 100-yard dash with a time of 10.5 seconds.

Jerry Basierbe placed third in the 100-yard dash and second in the 200-yard dash with respective times of 10.9 and 23.5 seconds.

Walt White, a junior, won the mile-run with a time of 4:41.1 minutes.

Salem was shut out in both the low and high hurdles and the 880-yard run, but Balconi explained the Dearborn sweep:

"Dearborn won trophies in the shuttle hurdle and two-mile relays at Mansfield, and they are extremely deep in those events.

"We're still weak in the high and low hurdles, but the kids are working hard and improving every day," he said.

Salem also traveled to Mansfield, but failed to score any points.

Young Dan Ogden sailed to a third place finish. (Staff photo by Bob Woodring)

Behind Parsons

Canton takes opener

The Plymouth Canton Chiefs returned to the diamond this spring with their season opener played on their home turf against one of Observerland's most talented teams—the Livonia Stevenson Spartans. Bill Parson went the distance, allowing just five hits, and John Young clouted a three-run homer, to give the Chiefs a 5-3 win before a turnout of 500 fans.

"It was a big win under pressure-packed circumstances," said Canton coach Fred Crissey.

"**CONSIDERING THAT** Stevenson had eight starting seniors and we had only three, our young players really rose to the moment," he said.

The Spartans, 17-4 last season, lost two of its games to Canton including one in the state tournament. They open the season traditionally with the Chiefs.

The Spartans jumped into the lead on the second pitch of the contest as left-fielder Dave Pelli laid into a Parson curveball and blasted a 350-foot homer over the fence in right-center.

Trailing 1-0in the bottom half of the opening frame, the Chiefs worked on scoring some runs of their own.

Shortstop Scott Collins led off with a walk, and after the next two hitters were sent down, catcher Tom Close pulled a single to leftfield.

With runners on first and second and two out, Stevenson pitcher Brent Erickson served up a fastball to John Young, who drove the pitch over the barrier in left-center for his first home run of the year to put the Chiefs on top, 3-1 after one inning.

Parson and Erickson went the next two innings with no problems until John Kolis was called from the bullpen by Stevenson coach George Van Waggoner to pitch the fourth inning.

CANTON ADDED another run in the fourth to pad its lead to 4-1.

Young lined the ball into the alley in left-center for a double putting him in scoring position for Dave Pink. Pink, a righthand-hitting third baseman, went with an outside pitch and unloaded a three-base hit to deep right-center scoring Young.

The Chiefs scored their last run of the afternoon by taking advantage of a Stevenson miscue.

Designated hitter Steve Hanis walked, and moved into scoring position after Steve Dugan sacrificed him to second base with two out.

Senior Steve Mormon hit a sharp ground ball over the bag at second that was fielded, and then thrown wide of first base.

Running on the pitch, Hanis gathered a head of steam and crossed the plate with Canton's fifth run.

Stevenson, down 5-1 entering the sixth inning, rallied for two runs to cut the deficit to a pair of runs.

"They're too good of a hitting ballclub to relax on," said Crissey.

With two out Fred Ritz was walked by Parson and Ron Colone followed with a line drive up the alley in right-center that rolled all the way to the fence, as Colone scampered around the basepath for an inside-the-park home run.

Parson retired the side in order in the final inning to put the lid on his first win of the year.

"**BILL SHOWED** a lot of poise, and a lot of guts after the first batter he faced hit the ball out of the park," said Crissey.

He added, "It's a sign of a good pitcher when he can throw a five-hitter and still win without his best stuff, and we haven't seen Bill's best stuff yet.

"Our young players showed a lot of hustle, poise, and enthusiasm which is what I already expect from our experienced players. If these newer players can find a way to jell, we're going to go places," said Crissey.

The Chiefs will embark at noon tomorrow in their annual sojourn to the Cincinnati, Ohio area, regarded as a hotbed for baseball, for three games in the southern section of the state.

Canton faces the defending Ohio state baseball champions and Cincinnati City Champions. Most Ohio high school teams play more than 50 games compared to the maximum of 20 allowed by the MHSAA.

The excursion will continue through Saturday with Canton resuming its area schedule with a Western Six opener at Waterford Mott on April 28th.

League slates softball meet

The Canton Township Men's and Women's Softball League will hold its final meeting Tuesday, April 20 at 7 p.m. at the Recreation Center, 44237 Michigan.

The meeting will include a clinic, presented by George Gillies, president of the Westland Athletic Officials Association, covering specific areas of softball, including interference, obstructions, strike-zone, appeal plays, illegal bats, the manufacture of balls and displays of illegal and legal bats.

Get Rid of Gray Hair Some of it or all of it

Time-lapse photographs show how gradual action of Grecian Formula 16 lets you control just how much gray you slowly get rid of - some of it or all of it.
White Plains, N.Y. — Hundreds of thousands of men all over the country are now using a remarkable product to control just how much gray they slowly get rid of. It is called Grecian Formula 16 and the results are simply amazing. Grecian Formula 16 is a practically clear liquid, as easy to use as hair tonic. This remarkable formula works for any color hair because it combines with the natural chemistry of the hair to recreate natural-looking color. There is no mess and no rub-off. You simply use it every day for two or three weeks until you slowly get rid of just as much gray as you want. Some of it, most of it or all of it. You can stop where you like. You are in complete control of how much gray goes or stays. Once you get rid of as much gray as you want, simply use Grecian Formula once a week or so to keep it that way. Since Grecian Formula 16 works gradually over a period of time, even close friends won't notice the change happening. The resulting color is so completely natural that the hair definitely does not have a dyed look. Grecian Formula 16 is available at

Chief girls fall, 12-11

Livonia Franklin's girls softball team just barely eased out a victory over Canton Wednesday, edging the Chiefs, 12-11.

Franklin opened the first inning with one run and continued its scoring in all but the last inning.

Canton finally got on the scoreboard in the third inning when Franklin miscues enabled two Chief runs to score on passed balls.

In the fourth inning Sue Rekuc singled, followed by two outs and another single by Kim Clarke. Kathy Peck smacked a double and Rekuc scored on another passed ball.

Opportunity knocked on the Chief's bats in the sixth inning when the Canton team came within one run of tying the game.

Action started at the top of the inning when Kathy Sochacki was called safe on an error and stole second. Laurie Beck then cracked a single and consistent hitter Kim Clarke drove Sochacki in to score. Jan Haarer then blasted a homerun to centerfield driving in two more runs.

Cindy Krieg was declared safe on an error, Sochacki walked, and both scored on passed balls, putting the Chiefs one run out of contention.

Chief's pitcher Lucy Howe was injured covering home plate in the third inning as she pulled a back muscle.

Howe was replaced by Sue Rekuc and later Angie Secret, who finished the game.

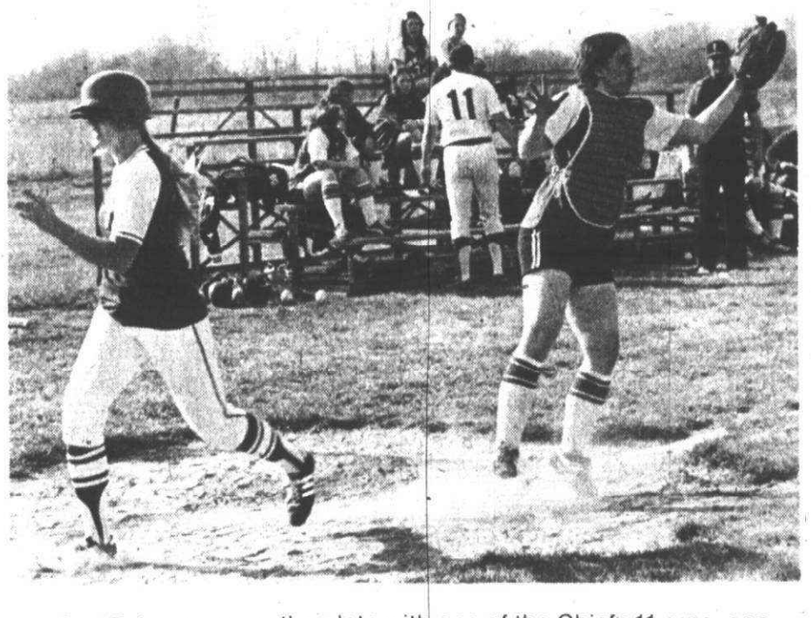

"Both teams saw lots of action today," Canton coach Joan Ryan commented. "It was a game with lots of runs, long hits and solid plays."

Ryan touched on the nice catches in outfield.

Kathy Suchacki, a sophmore, playing for the second season, caught 5 out of 5 fly balls.

Franklin pitcher, Karen Dzikowski recorded the win.

Canton's record now stands at 0-2 with its first league game scheduled for the Tuesday following spring break.

Sue Rekuc crosses the plate with one of the Chiefs 11 runs, one too short. (Staff photo by Robert Woodring)

Canton thinclads bounced

Plymouth Canton's thinclads opened their Western-Six competition on a disappointing note, losing to awesome Waterford Mott last Thursday, 110-21.

While there were few bright spots on Coach Brian Schwall's young squad, middle distance man Brian Bennett turned in an impressive performance. Bennett won the 880- and 440- yard runs with times of 2:01.1 and 54.5 respectively.

"Brian's time was the most pleasing thing of the day. He's ready to go under two minutes in the half-mile any day now," Schwall said.

Canton took second places in the pole vault, the mile-run, and the two-mile run. They also took third in the discus throw, the 880-yard run, the 100-yard dash, and the 220-yard turn.

A poor performance in the field events cost the Canton squad dearly.

"The field events hurt us very much," Schwall noted. "Two of our pole vaulters were out of town, and they were both capable of vaulting 10 feet or better."

"If those two had been there we could have improved our showing in the field events greatly."

Schwall's team now faces nearly a two-week layoff until their next meet with Northville April 29, and then the Observer Relays May 1.

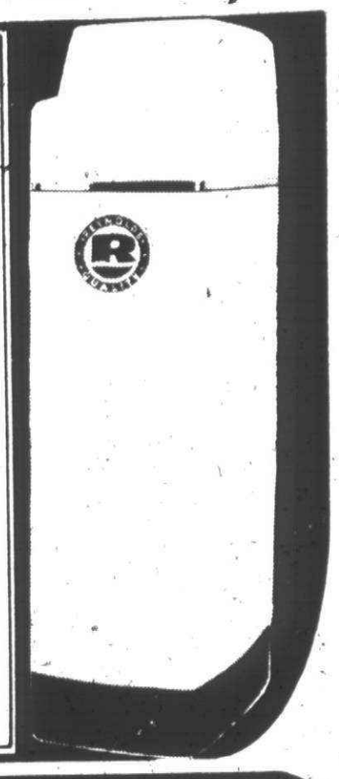

"We're looking forward to the Observer Relays," Schwall said. "Last year we won the two-mile relay, and we hope to do well this year also."

Pole plane

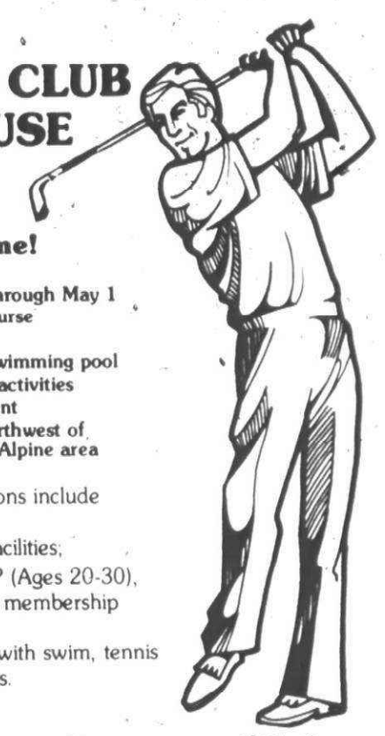

Commander Richard E. Byrd and Floyd Bennett became the first men to fly over the North Pole when they soared over the pole on the morning of May 9, 1926. The triple-engined Fokker monoplane that carried the two aviators on their historic flight is part of the permanent collection of the Henry Ford Museum in Dearborn.

Canton undecided, Plymouth 'yes'

Super sewer reactions mixed

By TIM RICHARD

With a couple of exceptions, western Wayne County communities are slowly lining up behind the proposed "super sewer" project, but without the kind of passion with which Ann Arborites oppose it.

A public hearing Wednesday afternoon and evening in Plymouth, conducted by the Wayne County Road Commission, lasted only half as long as a similar hearing a day earlier in Ypsilanti.

At issue is the road commission's proposal to abate Huron River pollution by closing nine smaller sewage treatment plants in western Wayne and Oakland and eastern Washtenaw counties, replacing them with a single plant on Lake Erie.

SUPPORT FOR super sewer came in resolutions from the cities of Belleville, Flat Rock, Woodhaven and Gibraltar and the townships of Northville, Plymouth, Van Buren and Brownstown.

Canton Township has yet to act, but it is being actively wooed by road commission engineers.

Two Plymouth city commissioners—Mayor Joe Bida and former mayor Beverly McAninch— oppose it.

Mrs. McAninch cited costs and the lack of any help for the Rouge River. Bida said his two-square-mile city is adequately served at present.

HERALD C. HAMMILL, professional engineer from Plymouth Township, said, "It's important you do something.

"We've been through this—restrictions on building permits—several times before."

Hammill called super sewer "the ultimate solution" and said "the quicker we do it, the fewer things will have to be done over."

George Moore, supervisor of Huron Township, favored super sewer as a method of protecting his township's 12 miles of river frontage.

The Southeastern Michigan Sport Fishing Council, with 2,000 members in bass, salmon, steelhead and trout fishing clubs, said super sewer "best serves our interests."

WALLED LAKE AREA communities, however, lined up solidly against any of the half-dozen plans under consideration that would close their plant, which serves Novi, Wolverine Lake and Commerce Township.

The Commerce board, for example, listed a series of objections: no management agency had been designated, no method had been selected for allocating costs, no means for retiring their present bonded debts had been shown, and future population growth had been only assumed.

The Oakland County communities all said the Walled Lake plant had "proven design and performance."

OBJECTIONS TO ALL plans were voiced by Katherine Cushman, a member of the League of Women Voters and its Lake Erie Basin committee.

None of the alternatives deals with "non-point pollution such as stormwater run-off," she said. Mrs. Cushman also called for tertiary treatment in the super sewer plan; the Lake Erie plant site proposal calls for secondary treatment.

A series of smaller treatment plants, Mrs. Cushman said, would enable local communities to better handle land use control. She said the large super sewer line would "put pressure on local governments to develop so there will be people to pay for the sewers."

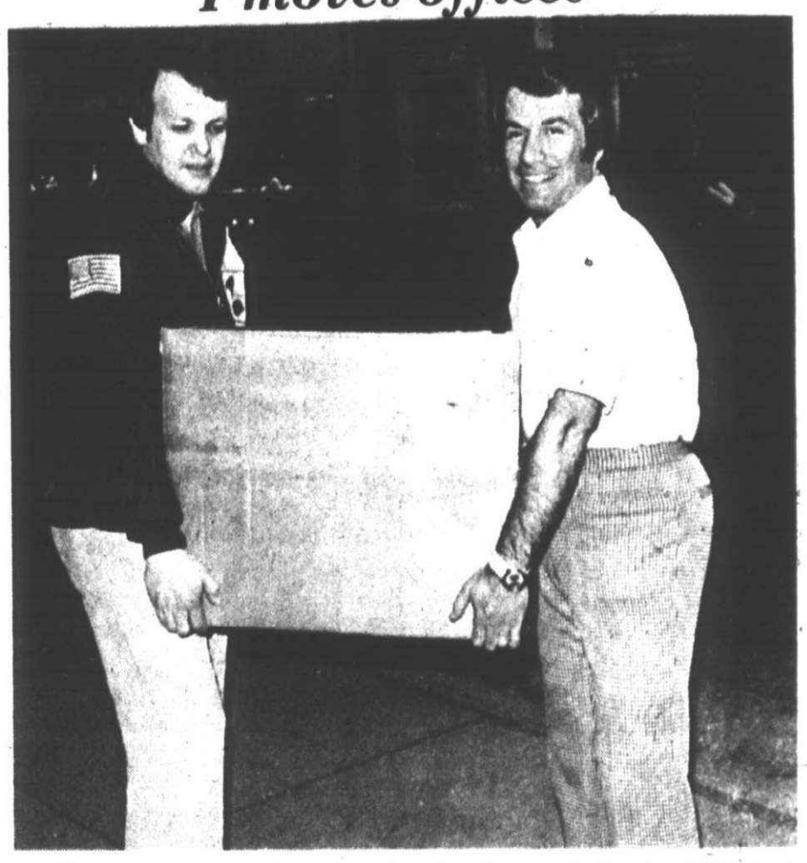

Noting that super sewer would result in low flow on the Huron River below Ann Arbor if that city's treatment plant no longer would be able to recharge the river, Mrs. Cushman concluded: "In simplistic terms, if we have to choose between a polluted river and no river, we'll choose the polluted river."

ANN ARBOR Councilman Ron Trowbridge made his speech at both Tuesday and Wednesday hearings. A candidate for the Republican congressional seat in the 2nd District, Trowbridge labeled super sewer a "big government solution."

Trowbridge said a major treatment plant on Lake Erie could threaten Monroe's water supply and groundwater table. "For us to put our sludge down there and have them drink it is not very neighborly," he said.

The state Water Resources Commission is to decide around mid-May which of the many pollution abatement alternatives will be built, if any. Whichever project selected will cost in the neighborhood of $200 million. The major portion would be covered by federal and state aid.

Y moves offices

The move was a short one for the Plymouth-Canton YMCA, from 271 S. Main across the street to 292 S. Main. With the help of members of the Plymouth Kiwanis Club and the Indian Guide Federation, it didn't take long. Dave Anderson, secretary of the Guides (left), and Dr. James Tsoucaris, chairman of the Canton-Plymouth-Northville YMCA, were two of the prime movers in the operation. (Staff photo)

BREVITIES FROM THE MAIL

CANOE TRIP

April 15-25—Plymouth Pathfinders will hold a raft and canoe trip with the home base being Bison City, N.C. A meeting will be held before the trip. For information contact Dennis and Leslie Lampron at 437-9557 or 453-9054.

ART EXHIBIT

An exhibition of Schoolcraft College student work in drawing, design, painting and print-making will be in the Schoolcraft College Northville Cooke Center, 405 W. Main, Northville, now through April 23, Monday through Thursday, from 9 a.m. to 9 p.m. A reception will be held April 6 from 7-10 p.m.

PAINT FOR FUN

April 20—All beginners in oil painting welcomed to an informal approach to the art from 1-3:30 p.m. in the Cultural Center.

SENIOR CITIZENS

April 20—St. Kenneth Catholic Church senior citizens will meet at noon in church. Bring a friend and a sandwich.

DUPLICATE BRIDGE

April 20, 21—Duplicate bridge sessions held on Tuesdays at 7:30 p.m. and Wednesdays at 11 a.m. in Cultural Center.

RUMMAGE SALE

April 21—Sacred Heart Guild will have a rummage sale from 9 a.m. to 6 p.m. in Our Lady of Good Counsel Catholic school gymnasium, Arthur and William streets, Plymouth.

CANTON SENIORS TRIP

April 22 and 26—Canton Township Senior Citizens will visit Fairlane Towne Center—tour of shopping center and hotel. Call 397-2777 for information.

GERMAN-AMERICANS

April 22—The German-American Club of Plymouth is having its monthly meeting beginning at 8 p.m. in the IOOF Hall, Elizabeth at Ann Arbor Trail. Visitors welcome.

DINNER DANCE

April 24—Annual spring dinner dance from 7 p.m. to 1 a.m.—dinner at 8 in Dr. Thomas Dooley K-C hall on Joy Road near Middle Belt— sponsored by Divine Savior Catholic Church. Reservations $23 per couple by calling Ken Bladzik (455-5458) or Ernie Koch (455-5276).

STAMP EXHIBITION

More than 20,000 books, magazines and records in 40 categories will be available for the serious collector and avid reader alike.

WANTED: USED BOOKS

Donations of books, records, and sheet music are needed for the annual used book sale sponsored by Plymouth Branch of the American Association of University Women. Sale dates are May 6-8 at Westland Shopping Center. Books and other materials may be left inside the drop box provided in the Dunning-Hough Public Library. Persons desiring home pick-up should call Mrs. Kenneth Gribble, 41242 Greenbriar, Plymouth.

BICENTENNIAL TRIP

The Plymouth Senior Citizens are planning a bicentennial tour of New England May 14-17. The tour will include one day in Boston, a trip along the coast to Beverly, Marblehead and Glouster, visits to Lexington, Concord, and then to Old Sturbridge Village for a Thanksgiving-style meal, to the Newport area and then to Plymouth, Mass. Persons interested in the trip should make reservations now with Janet Luce by calling 453-2904 or with Plymouth Travel Agency. The cost of $270 per person includes air transportation, three nights and four days, four dinner meals, and tours.

TULIP TRIP

May 15—A bus to the Holland Tulip Festival will depart at 8 a.m. Saturday, May 15, from the Plymouth Cultural Center, 515 Farmer, and visit the Wooden Shoe Factory and festival activities. Cost of trip is $15 and includes bus and buffet lunch. Return time is about 8:30 p.m.

C-C appoints new directors

Two new members have been appointed to the board of directors of the Plymouth Community Chamber of Commerce.

They are: Jerry Loiselle of Jerry's Bicycles, 1449 Ann Arbor Road and, Kurt Lorenz of the Mayflower Hotel, 827 Ann Arbor Trail.

The two replace Edwin Elliot of Burroughs Corporation and Dennis Golbesky of Howmet Corporation. Both men resigned their posts as Chamber directors.

The board consists of a body of 15 local business persons who oversee the operation of the Chamber, and are the policy and decision-making body of the Chamber

Coloring contest winners named

Four area children were awarded stuffed Easter rabbits as a result of their skill in a coloring contest sponsored by Hugh Jarvis Gifts on Ann Arbor Trail.

Winners were: Heidi Neuroth, 3, daughter of Mr. and Mrs. Hans Neuroth; Jill Thomas, 5, daughter of Mr. and Mrs. John Thomas; Tom Stout, 8, son of Mr. and Mrs. William Stout; and Celia Stuart, 11, daughter of Mr. and Mrs. Alan Stuart.

The Stroller

What a character

By W.W. EDGAR

Any time the conversation at the luncheon table turns to telling tales of weird characters encountered along the way— as it did the other day— The Stroller is reminded of "Shorty" Moran, the silver-haired orator who once ruled sandlot baseball in the metropolitan area and was a master at fracturing the English language.

A little fellow with a swirl of silvery white hair, "Shorty," who was baptized George J. Moran, was a character the like of which a fellow encounters only once in a lifetime.

Officially, he was the president of the Detroit Amateur Baseball Federation. In that capacity he was the king of the baseball diamonds at Northwestern Field and Belle Isle where thousands gathered each Sunday afternoon to watch some of the best sandlot baseball played in America.

Entertaining as the games were, they couldn't compare with the weekly meetings of the DABF where "Shorty" wielded the gavel and provided many a laugh along the way.

Strictly a stranger to parliamentary procedure, "Shorty" was at his best once he pounded the gavel and called the meeting to order.

IT WAS COMMON gossip among the players and officials that "Shorty" would find a way to get involved in a squabble. In fact, they created squabbles just to see him perform.

The Stroller had heard of these humorous meetings but never was privileged to attend any until one week when a serious problem was on the agenda. Then he was invited and accepted. What a show it was.

The meeting hadn't advanced very far when the squabble broke into the open and "Shorty," not knowing exactly what to do, allowed the verbal battle to continue for almost an hour.

Then, tired of the wrangling, he got to his feet, pounded the gavel for attention, and then uttered these "historical" words:

"We'll have no more of this restlessness. It is now just a matter of do you want it or don't you."

No one but George J. Moran ever could have captured the gathering as it broke into laughter and then admitted that the entire argument was a gag.

ON ANOTHER occasion, when the DABF was preparing for its big amateur day program at Navin Field (now Tiger Stadium) "Shorty" took it upon himself to handle all public relations. He went so far as to have his committee join him on a visit to the various newspaper offices and implored them to do their best for the benefit of the sandlot baseball players.

On one of these trips he ventured into the Free Press sports department. His entry was befitting a king. Unlike most seekers of publicity for their favorite events, who came begging for some sort of advance notice in the daily prints, "Shorty's" entry was one of gallantry. He marched in like a King about to bestow knighthood on some one.

It so happened that, in those days, The Stroller was writing sandlot baseball and it was to his desk that "Shorty" went to "sell" his program.

Pretending to be unconcerned, The Stroller sat there and listened as "Shorty" used all the adjectives at his command.

When he saw he wasn't making much headway, he looked The Stroller in the eyes and said: "The program will be colossal."

Not getting any better reaction, he added: "It will be stupendous."

And then, for emphasis, he pounded his fist on The Stroller's desk and, in finality, left these parting words: "In fact, it might be mediocre."

IT WAS AT the banquet table at the end hf the season when he came to honor the champions, that "Shorty" reached his peak.

In a wild series the Grennan Cakes team won the title.

The players were honored, verbally, by the city's political leaders and then "Shorty" rose to his feet, his silver hair glistening in the spotlight, and, in paying his tribute, contributed these words for posterity.

"I may be dictated on this, but I think Grennan Cakes had a synonymous team."

Yes sir, "Shorty" was one of the most unusual characters The Stroller ever has met.

Right turns are banned

"No Turn on Red" signs will be installed at several intersections in Plymouth Township by the Wayne County Road Commission.

These intersections are: eastbound Canton Center and Joy Roads; northbound and southbound Haggerty and Schoolcraft Roads; northbound and southbound Eckles and Schoolcraft Roads; northbound Five Mile and Northville Roads; northbound and southbound North Territorial and Sheldon Roads; westbound Plymouth and Eckles Roads; and westbound Plymouth Road and Burroughs Corporation Drive.

The Wayne County Road Commission did not state when the signs will be installed.

Special events

Ralph Kelley (above left) wrote the text of 'Burning Tree" using a background of true incidents in Shaker communities. Robert W. Jones composed the musical score of the six-scene folk ballet. (Staff photo)

Symphony's Shaker ballet celebrates 3 anniversaries

Larry Roberts (left) is the Elder, and Michelle Wolf, choreographer, has the role of Dawn, an orphan, who strays from the from the tenets of the Shaker religion. (Photo by Ralph Kelley)

Sunday's concert marks Wayne Dunlap's 25th anniversary as conductor of the Plymouth Symphony Orchestra. (Staff photo)

A triple celebration, in the planning for almost a year, culminates this weekend when the Plymouth Symphony Orchestra performs Copland's "Appalachian Spring" and a specially commissioned Shaker folk ballet, "Burning Tree."

The performance will be at 4 p.m. Sunday, April 25, in the auditorium of Plymouth Salem High School, Joy west of Canton Center roads.

A group of Shaker photographs, part of a collection on a national tour, will be on display. There will be a show and sale of Shaker artifacts, furniture and food—wheaten bread, Sister Lettie's lemon cookies and Ohio lemon pie.

A dress rehearsal will be open to the public at reduced prices at 7:30 p.m. Saturday, April 24. Tickets will be available at the door.

THE EVENT celebrates the 30th anniversary of the Plymouth Symphony, the 25th anniversary of conductor Wayne Dunlap with the orchestra, and the 200th anniversary of the nation's birth.

"Burning Tree" was commissioned by the Plymouth Symphony Society. The work was made possible by a grant from the Michigan Council for the Arts with additional funding from the Plymouth Rotary Foundation and Schoolcraft College.

A communal religious cult in the Appalachian states, the United Society of Believers in Christ's Second Coming were commonly called "Shakers" because of their dance steps.

Their music was melodious, their crafts distinctive, their arts decorative, and their spices so common today that they rarely get credit for discovering them. But their numbers dwindled—a characteristic of celibate societies.

Four members of the Schoolcraft College faculty share credits for the production. Dr. Ralph Atchley, secretary of the symphony society, was responsible for the grant application. Robert W. Jones composed the music, and producer Ralph Kelley wrote the story line. Michelle Wolfe, choreographer, also will dance the lead female role of Dawn.

JONES, A NATIVE of Oak Park, Ill., came to Schoolcraft as composer-in-residence seven years ago from Hartford, Conn.

He began his musical education at the age of seven when he started to take piano lessons. At 11, he began to the play the organ and says he has had no formal training in writing although he was composing by the time he was 15.

He writes everything from jazz to church anthems and dedicatory pieces. He had his own contemporary music program on radio station WDET. His bicentennial work commissioned by the Episcopal Diocese of Michigan will be performed for the first time May 16 and 17 in St Paul Cathedral, Detroit

"It is a parable of music," he said, "the story of Exodus. "It's about the people who came here—to this country."

RALPH KELLEY, a longtime student of Shakerism, possesses a mine of information about Shaker customs and incidents in their communities.

An instructor in English and theater and a two-time winner of the Community Theater Association of Michigan playwright award, he was a natural to write the "Burning Tree" story. He incorporated real characters and happenings in the six-scene folk ballet.

"I first became interested in the Rev. Hughey when I was sorting through old manuscripts and letters in the library of Ohio Wesleyan University," he said. "One of the articles concerned the early circuit riders." Rev. Hughey was being reprimanded by the bishop for improvising his own Bible stories.

Kelley discovered that Hughey had "married a Shaker woman from a group west of Lexington," which he presumed to be the Pleasant Hill settlement. Hughey later drowned while trying to swim the Ohio River and his wife returned to the Shakers. "Burning Tree" is based on these incidents.

THE TWO SINGING roles, Amos and Elizabeth, will be played by Henry and Carolyn Austin of the University of Michigan.

Dr. Austin, a professor of speech, radio and TV acting, toured the United States and Europe with a national company in the role of Judd in "Oklahoma!" On Broadway he appeared with Danny Kaye in "Let's Face It."

Carolyn Austin has her master's degree in voice and Spanish from U-M. In opera she has sung the title role in "Carmen" and has had roles in "Faust" and "The Marriage of Figaro." She was Giggling Gertie in the touring company of "Oklahoma!"

Cast members are: Jeffrey Davis of Southfield as Rev. Hughey, Steve Rappis of Detroit as Richard, Larry Ray of Detroit as Elder, Debra Davis of Plymouth as Eldress, Sigrid Stachiwski of Union Lake as Laura, Michael Vena of Redford Township as Jebbo, Pam Leith of Plymouth as Amy, Doug Foster of Livonia as William, Dwight Wild of Northville as a clergyman, Laura Peters of Livonia as Emily, Dan Smiley of Inkster as Thaddeus, Stephen Haggard of Livonia as Elijah, William Mainville of Plymouth as John, Linda Lutzal of Detroit as Mary, and Chris Tavolacci of Livonia as Majoria.

COSTUMES for the piece were sewn by members of the Plymouth Symphony League who also arranged the post-concert reception.

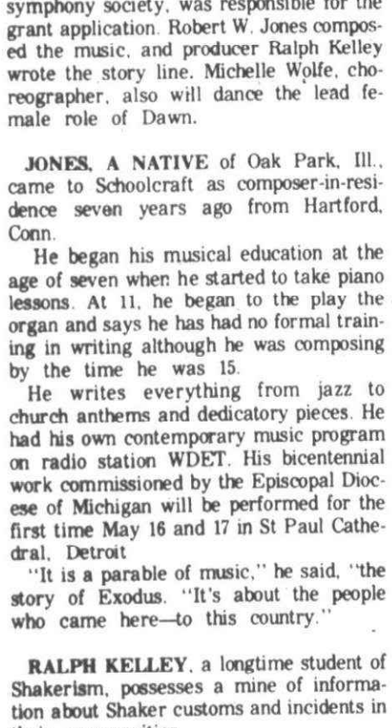

Invitations have been mailed to former orchestra and board members by Dr. Jane Moehle, president of the symphony society. Paul Wagner, director of the orchestra for its first five years, has been contacted as well as other musicians and board members now scattered from Maine to California.

Tickets to the Sunday performance will be available at the door or in advance from these downtown Plymouth shops: Heide's Flowers, Ann Arbor Trail at Harvey; The Tape Shop, Penniman Avenue; and Beitner's Jewelry, Ann Arbor Trail.

Admission is $5 for adults and $3 for K-12 students and senior citizens. Persons with family memberships in the symphony society will be admitted on their regular season tickets.

Tickets for the Saturday night rehearsal will be $3 for adults and $1.75 for K-12 students and senior citizens at the door.

Free parking is available. Qualified girl scouts will attend small children. Senior citizens will be offered bus rides by the Salvation Army from Tonquish Creek Manor in Plymouth.

Kris Richards, 12, daughter of David and Milanne Richards of Plymouth, will appear in the baton twirling nationals in North Carolina this summer in competition for the Miss Majorette of America title. She earned the right to compete by coming in second in the recent Miss Great Lakes tournament in Ypsilanti. She plays French horn in West Middle School band and twirls with the band when it marches in parades.

Clubs in Action

EMBROIDERERS GUILD

Local chapter of the Embroiderers Guild of America will meet at 7 p.m. Tuesday, April 20 in Churchill High School, 8900 Newburgh Road, Livonia. Elizabeth Schauer, of 15708 Parklane suggests needleworkers take a project and stitch during the meeting. Persons can buy, barter and sell.

SINGLES DANCE PARTY

Swinging Singles plans a dance party at 9 p.m. Friday, April 23, in Somerset Inn, Big Beaver Road, east of Coolidge. Tickets at door are $2.50 for females and $3 for males.

PCAC TRIP TO FLINT

Plymouth Community Arts Council is sponsoring a bus trip to the Flint Institute of Arts Wednesday, April 28. Bus will leave St. John's Episcopal Church at 9:30 a.m. and return by 3:30 p.m. Tour will include several galleries and special exhibit "The American Indian and the American Flag," now on display at the Museum of Contemporary Crafts in New York City. Reservations may be made with Pat Rhinehart, 1471 Linden, Plymouth—$4 for bus fare with check payable to Plymouth Community Arts Council. Group will have lunch in tearoom across the street from the institute.

Craig-Westfall

Alvin and Lucille Craig of Lathers Street, Garden City, announce the engagement of their daughter Pamela Jean to Steven Joseph Westfall, son of Ray and Rita Westfall of Crown Street, Westland.

The bride-elect is a senior at Garden City East High School. Her fiance graduated from John Glenn High School in 1972 and is employed by General Motors Corp.

They plan to be married July 10 in Garden City Church of Christ.

Hereth-Foxe

The Rev. and Mrs. Robert C. Hereth of Chicago announce the engagement of their daughter Katherine Lee to Gary Walter Foxe, son of Mr. and Mrs. Walter Foxe of Livonia.

The bride-elect will graduate this year from Concordia Teachers College in River Forest, Ill., where she is majoring in music education. Her fiance will graduate from the same college with a master's degree in church music.

A summer wedding is planned.

Clubs in Action

UNITED CAMERA CLUB

The United Camera Club will see photos Denton Craley has taken in Vermont when it meets at 8 p.m. Monday, April 19, in the Fellowship Hall of Good Shepherd Lutheran Church, 26212 Six Mile, Redford Township.

Craley, who has visited 50 states, all Canadian provinces, Antarctica, 107 foreign countries and all seven continents, will title his presentation "The Four Seasons of Vermont." It will include views of the Doscher Country School of Photography. Visitors are invited to the meeting.

EMBROIDERERS GUILD

The Livonia chapter of the embroiderers Guild of America will meet at 7 p.m. Tuesday, April 20, in Churchill High School, 8900 Newburgh.

Members are invited to bring current projects for work during the meeting, and there will be a time for buying, selling and trading.

PSYCHOLOGY AND DIABETES

"The Psychological Aspects of Diabetes" will be the topic for the meeting of the Western Wayne unit of the American Diabetes Association-Michigan Affiliate, scheduled at 7:30 p.m. Wednesday, April 21, in the Plymouth Community Federal Credit Union building.

Dr. Robert Gunn of Ann Arbor will be the speaker. The building is located at 500 S. Harvey in Plymouth. The public is invited and free literature on diabetes will be available.

GOODWILL ASSOCIATION

Members of the Women's Association of Goodwill Insustries will seek to reproduce the atmosphere of a colonial country store from 10 a.m. to 4 p.m. Wednesday, April 21, when they hold their annual spring fair in the Goodwill Building, Brush at East Grand Boulevard, Detroit.

Proceeds will provide supplementary services to handicapped persons who work with League for the Handicapped-Goodwill.

GR BAPTIST SENIORS

A bicentennial special and a talk on a boys' and girls' Bible club will be on the program for members of the Livonia Grand River Baptist Senior Citizens, meeting Friday, April 23, for a noon potluck lunch in Fellowship Hall of the church located at 34500 Six Mile.

The Rev. and Mrs. Kenneth V. Kettlewell will play the roles of George and Martha Washington in the patriotic skit, "Let Freedom Ring." Ruth Moffett, sponsor of the youth club, will tell about its activities and also will lead devotions, using her specialty of flannelcraft.

Visitors are invited. Telephone the church for reservations.

CARDS AND SALAD

The women of St. Michael Catholic Church, Plymouth and Hubbard, Livonia, will present their annual card party and salad-a-rama at 8 p.m. Friday, April 23, in the church hall.

Tickets are $2.50 and include assorted salads, cards and prizes. Reservations are being taken by Mrs. Zygmont Kobylka, 32728 Vermont, Livonia.

ALTRUSA FAIR

Twenty-five antique dealers with silver, china, glass, jewelry and other items will join in the fair to be held in the Birmingham Masonic Temple in Bloomfield Hills April 23-25 under sponsorship of the Altrusa Club of Greater Birmingham.

A preview is scheduled 7-11 p.m. Friday, April 23, and the fair will be open 9 a.m. to 10 p.m. April 24 and 11 a.m. to 5 p.m. April 25. Proceeds will go to several charities.

DAR ANNUAL MEETING

The Sarah Ann Cochrane chapter of the Daughters of the American Revolution will hold its annual meeting at noon Monday, April 26, in the Plymouth home of Mrs. Gregory Dean.

Annual reports from officers and a report from delegates to the DAR National Continental Congress in Washington will be on the program.

ACCOUNTANTS HEAR CALLOW

Laura Callow, secretary of the new Coalition of Women, will be speaker for the April meeting of the American Society of Women Accountants, scheduled to begin at 5:30 p.m. Tuesday, April 27, in Carl's Chop House in Detroit.

Mrs. Callow will discuss "What ERA Means to Women." She is a graduate of Wayne State University, an art teacher, past president of the Livonia League of Women Voters and a member of the Women's Advisory Committee of Schoolcraft College.

Make reservations for the dinner by calling Ruth Jones, 18361 Norwich, Livonia.

FORD WIVES ELECTION

The Ford Wives Club will have its annual election of officers and hear a talk by feminist leader Patricia Burnett when it meets at 7:45 p.m. Tuesday, April 27, in the Ford World Headquarters building, Michigan at Southfield.

New officers will be installed May 25 when the club holds its annual dinner in the Hyatt Regency in Dearborn. Ms. Burnett had been scheduled to speak for that event, but because of a schedule conflict will tell about her work as a portrait artist as part of the April meeting.

Oldanis mark 50 years wed

Mr. and Mrs. John G. Oldani of Westland will celebrate their 50th wedding anniversary April 19.

They have been Westland residents for five years and are active members of the Over-50 Club at St. Theodore Catholic Church. Oldani is a retired employee of the Ford Motor Co.

The couple have four children, John, of Denver; Norbert and Marjorie of Farmington Hills and Robert of Westland. There are 31 grandchildren and five great-grandchildren.

Celebration of the golden wedding will take place April 25. Mrs. Oldani's brother, the Rev. N.J. Heutter SJ of the University of Detroit will offer a mass. There will be a cocktail and dinner reception in the Gourmet House in St. Clair Shores following the mass. The couple's children will host the reception.

New voices

Carl and Mary Carey of Golfview Drive, Livonia, announce the birth of their third child, a son, Gregory Paul, on March 16 in St. Mary Hospital, Livonia.

The grandparents are August Rossi of Southgate, Mrs. Ann Rossi of Livonia and Mr. and Mrs. Carl Carey of Tennessee.

SC nurses to receive pins

A reception and pinning ceremony for 61 members of Schoolcraft College's 1976 associate degree nursing class will be held April 22.

The program will begin at 7:30 p.m. in the Waterman Campus Center. It is sponsored by the alumni association whose members participate in the ceremony, along with instructors and administrators.

Schoolcraft has graduated 350 nurses since their first associate degree class completed its studies in 1967. Persons wishing further information about the reception and pinning should call alumni president Jean Halley or Harriett Sattig, director of health careers at the college.

Refresher set for nurses

A refresher course for registered nurses is being offered free by Martin Place Hospital West, 19535 Schoolcraft, Detroit. The program, available to RNs only, will update the skills of nurses who want to return to nursing work.

The course will begin April 19 and continue for six weeks. Classes and on-the-job training will be held from 9 a.m.-3 p.m., five days a week.

The program will provide for payment of an hourly wage to those participating RNs who agree to work for Martin Place Hospital West upon completion of the course. To register, call the hospital.

Wash and wear hair. And how to get it.

Today's new blow-dry hairstyles are both attractive and surprisingly easy to care for. Let us give you one, and we'll be happy to show you how to care for it yourself between salon visits.

The secret of manageable wash and wear hair is a good cut and hair that is in good condition. We'll help the condition of your hair with a professional treatment with one of Redken's acid-balanced, protein polypeptide enriched conditioners. Then we'll recommend the Redken products for you to use at home between salon visits.

Discover wash and wear hair for yourself. Make an appointment for a natural looking blow-style today.

Buyers and sellers are "strange" people. Strange to each other, that is. People with lots of different needs and wants, people who need to get together. They need to get together in the quickest, least expensive and most effective way possible—the Observer & Eccentric Want Ads.

Say you need a buyer for a bunch of baby basset hounds, or a really good home for a litter of antiques...How do you meet those unknown admirers with an eye for your special goods? How do you keep track of sellers with garage sales, and owners of autos and pets to trade? It's easy -- when you know where buyers and sellers get together best—the Observer & Eccentric Classifieds.

It's easy to get double buying and selling results, too. Double-Action Ads bring people together from all over Wayne and Oakland Counties. These suburban communities include: Birmingham, Bloomfield, West Bloomfield, Farmington, Farmington Hills, Rochester, Avon Twp., Southfield and Troy in Oakland County; Livonia, Garden City, Plymouth, Plymouth Twp., Canton Twp., Redford Twp., and Westland in Wayne County. Smart buyers and sellers place a Double Action Family Want Ad (non business) of 15 words or less in two consecutive issues, with no changes in copy and no cancellations -- and they pay only $6. That's a savings of $2.00 off the regular cost of placing an ad in two issues.

When you have something to sell...when you have something to buy...you've got a lot in common in the Observer & Eccentric Classified Want Ads.

WORLD'S LARGEST AMERICAN MOTORS DEALER

April 26 at Somerset

Oldies, goodies visit mall

Some of the country's rarest antique and classic cars will be on display in Somerset Mall, Big Beaver at Coolidge, Troy, during the week of April 26 through May 1. Members of the Birmingham Chapter, Veteran Motor Car Club of America will exhibit some of their prized automobiles from their private collections.

All, except one for contrast, have been fully restored and are in running order. Many members use their cars extensively during the spring, summer and fall when the weather is pleasant enough for open touring cars.

They frequent the various rallies held here in Michigan and the surrounding states and use them for their pleasure outings.

Being a collector of antique cars is like being smitten by a lingering malady. All the spare time one can muster is spent restoring the treasured find to its original beauty. This may be as much as three or four thousand hours.

Every detail is meticulously reassembled, polished and usually ends up better and shining brighter than the day it was delivered to the original owner.

The oldest car to be displayed is a 1904 Pope Toledo from the Frank Teague collection. This car was scheduled to participate in the "1976 around the world" tour.

The Pope Toledo was far ahead of its time for the 1904 era. The 30 HP engine powered it to 60 mph, provided you could find a road that would take such speeds in that day.

It has a rear entrance Tonneau body and a lot of fancy brass to be polished.

The creme de la creme of the show is a 1909 Renault Tripple Phaeton once owned by the Royal Family of Spain. This is a huge car with three rows of seats, and was designed to cruise at 70 mph with seven passengers.

It has a six-cylinder, 90 hp engine and a four-speed transmission. It has an air starter, a 153 inch wheelbase and two-wheel brakes.

The body design was the creation of the famous Paris coachmaker, Alfred Belvallette, who secured more than 40 patents for his original ideas on body-design and building.

The car was discovered in Madrid in 1957, and was driven from Madrid to Gibraltar to be shipped to America. It is presently owned by Dr. Charles Bowers of Bloomfield Hills.

A real classic among sportscars is a 1967 Maserati, owned by Don Caton of Bloomfield Hills. The original price of the car was $23,000. It will go from 0 to 60 mph in 6.4 seconds and has a top speed of 175 mph.

The over-all height is only three feet eight inches. The engine is a dual aluminum block V-8 with dual overhead cams and four dual webber carburetors that produce 335 hp.

A car buff's dream is to find a classic in excellent "original condition," as did Duane Miller when he came across his 1911 Oldsmobile 7-passenger Autocrat. Only three or four exist. It is also one of the largest cars ever to be built in the U.S.

Auto people on the move

Simons

WALTER J. SIMONS of Bloomfield Village will retire April 30 as vice-president for corporate financing for Chrysler Corp.

Simons, who joined Chrysler in 1943, had been treasurer of the company for 20 years and began his career in 1934 as an accountant with Ernst and Ernst in Detroit.

C.M. "BUD" SHELTON of Bloomfield Hills has been elected president of the Detroit Auto Dealers Association, Inc.

Shelton is president of Shelton Pontiac-Buick in Rochester.

Shelton

Linman

JOSEPH K. LINMAN of West Bloomfield has been appointed assistant controller for warranty and accounting in Ford Parts and Service Division's controller's office.

Linman joined Ford in 1964 as a financial analyst in the Ford division.

MEIJER POLICY REGARDING P.B.B.

TRACES OF P.B.B. ARE NOT ACCEPTABLE IN ANY PRODUCT SOLD BY MEIJER. ANY SOURCE OF SUPPLY SHOWING ANY TRACE OF P.B.B. WILL BE ELIMINATED.

SINCE THERE IS CONTROVERSY regarding acceptable levels of P.B.B., we at Meijer have established extra safeguards to insure that products we sell contain no P.B.B.

TESTS PERFORMED by our suppliers and the Michigan Department of Agriculture show that the milk we sell contained no traces of P.B.B. during the past year. Our suppliers have been and will continue to be required to submit written proof that products sold to Meijer contain no P.B.B. In addition, we will increase our periodic independent testing through nationally recognized laboratories to insure that our dairy products, meat, and eggs will be free of P.B.B.

YOU HAVE THE RIGHT TO KNOW that no trace of P.B.B. is acceptable and what we at Meijer are doing to insure the quality of our products.

D.E.C.A. CASHIERING CONTEST

OVER 1000 MICHIGAN high school students gathered in Grand Rapids on March 22 and 23 to participate in the D.E.C.A. annual competitive events program. D.E.C.A. is the Distributive Education Club of America.

THE CASHIERING CONTEST was held March 23 at the Jenison Meijer Thrifty Acres. We dedicated 8 cash registers and 4 Meijer employees for the day to help co-ordinate and judge the contest. Approximately 75 students competed.

THE PURPOSE of the Cashiering Contest was to expend the student's proficiency at the check-out including register operation, money handling, and customer service.

Ric Kooeinga, Joyce Stuk, Joyce Hall, and Rena Bauer from Meijer assisted in judging and co-ordinating the D.E.C.A. cashiering contest.

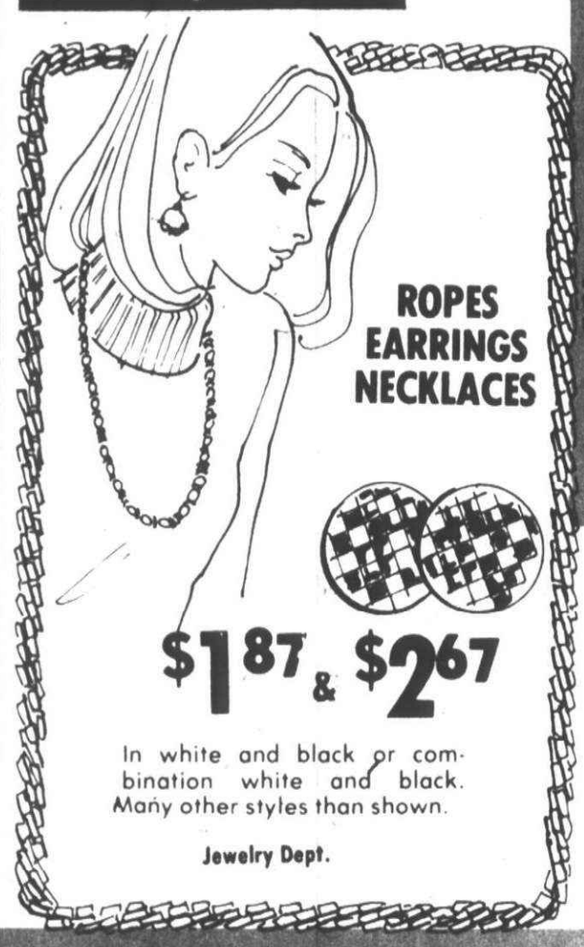

WE AT MEIJER were glad to sponsor the cashiering contest and we wish all of the contestants success with their Distributive Education classes in school and with their future careers.

HISTORICAL FLAG COLLECTION

YOUR HERITAGE IS WORTH KNOWING ABOUT... AND TELLING YOUR CHILDREN ABOUT.

Get the Spirit...The Spirit of '76 comes alive at all Meijer stores. For the first time Meijer is presenting an original collection of miniature flags from our American Heritage. Flags with such great historical significance as the Green Mountain Boys; The Bucks of America; The Know Nothing Flag; The Flag of the Union; The Bennington Flag; and many more. Each has its own story of how it presents a part of our history.

4"x 6" FABRIC MINIATURE FLAGS

©1976 by AMERICAN HARDWARE SUPPLY CO.
This catalog is created and printed as a service to our 2,700 stores. If any store is temporarily out of a regular stock item, it can be ordered by the store from our modern warehouses in Butler, Pa., Parkesburg, Pa., Greenville, S.C. and Westfield, Mass. The prices shown are suggested prices from our observation of the market; they are subject to change without notice and possession of this catalog does not obligate us or any store to sell at the price listed. The combined volume purchasing power of our 2,700 stores enables each store to offer you merchandise at attractive prices. Over 23,000 items are carried in stock at our hardware headquarters.

American Hardware STORES

...2,700 strong, salute our nation's Bicentennial celebration year and...

200 YEARS OF AMERICAN KNOW HOW

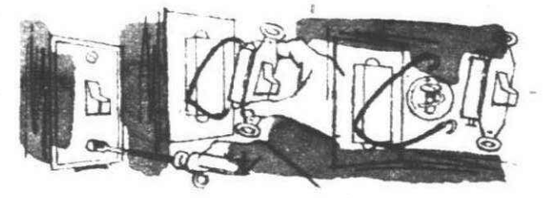

YESTERDAY

...American know-how began with the blacksmith, for he not only made hardware items; he designed them as well! The blacksmith was instrumental in the development of the industrial age because he made the necessary parts for machines, engines, and even the automobile.
The modern hardware store serves as a constant reminder of this progress, for there you can find tools for nearly every repairing or building need to continue our heritage of American know-how.

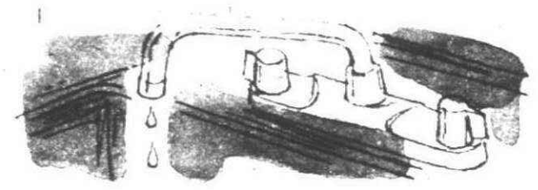

TODAY ...stores just like ours throughout 26 states SERVE millions daily with KNOW-HOW on home projects

HOW TO REPLACE WALL SWITCHES

When a wall switch fails, it's generally because the contact points have worn or been oxidized. It can be replaced more easily than repaired. First, turn off the main circuit. Unscrew and remove the face plate. Unscrew the top and bottom mounting screws and pull the switch body out of the junction box. To free the switch from circuit wires, loosen terminal screws. Reverse steps to replace the switch. The loops in the wire tips should be fitted to the terminals so the curve runs clockwise; the screw will pull the wire tighter as it winds. There are a variety of types of switches to pick from: silent mercury switches that don't go "click"; pressure plates that you can turn on with an elbow or even your nose if your hands are full; and full range dimmers for total lighting control.

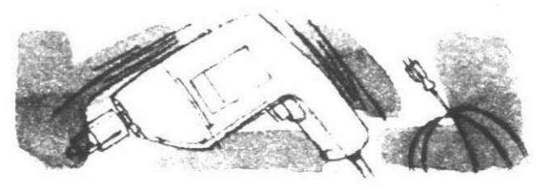

HOW TO STOP DRIPPING FAUCETS

A constant dripping sound can give you jangled nerves, keep you awake at night — and waste precious water!

You can repair washer-type faucets yourself — easily! Wrap packing nut with adhesive tape to avoid scratching it; loosen nut, lift out assembly. Remove screw and replace wornout washer. If faucet still leaks, faucet seat may need to be re-faced. See us for details.

Washerless faucets seldom give trouble, but when they do, they are even easier to repair. Simply unscrew and lift out entire assembly and bring it in to our store for matching. Pre-packed kits contain all you need for repairs.

ABOUT POWER TOOL INSULATION

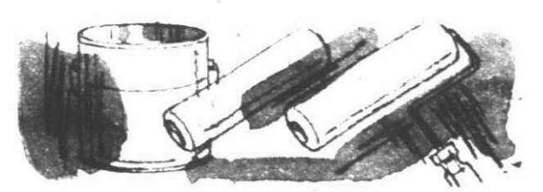

Regulations require that single insulated tools have a 3-wire cord and plug, the third wire acting as a permanent, uninterrupted ground. Thus, if a short develops, the current is carried away by the wire rather than through your body. Single insulated tools must be:

- **plugged into a grounded outlet OR**
- **used with an adapter OR**
- **used with a 3-wire extension cord.**

If your home doesn't have 3-prong outlets, an adapter is needed.

- **DO NOT forget to connect the adapter's pigtail to the grounded screw.**
- **DO NOT cut off the 3rd prong to fit it into a standard outlet.**

OR: Use double insulated tools. Their non-metallic, non-conducting housings greatly reduce dangerous short possibilities.

HOW TO CHOOSE A PAINT ROLLER

When choosing a paint roller, consider that rollers, like brushes, are made differently to suit various needs. The most important factor to consider is the surface to be painted, not the paint being used. The rule to follow is: the smoother the surface, the shorter the nap, and vice versa. An average wall can be painted with a ¼" nap of mohair or synthetic fibers. Select a ½" nap for textured or masonry surfaces and a ¾" nap for rough masonry. When selecting a new roller, brush apart the fibers. They are set too thinly if you can see through to the base material. Choose another with denser fibers for a more professional-looking job.

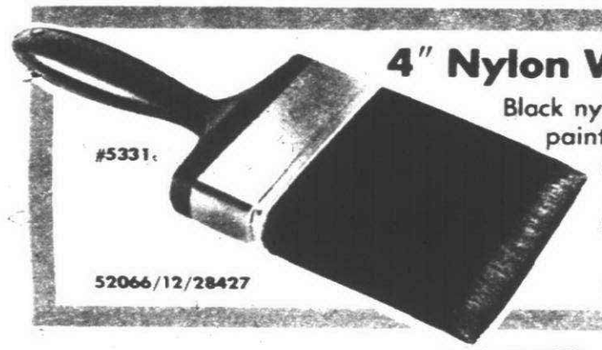

Ladders & Painting Needs
