Special glasses color area men's world

New technology allows them to see range of colors

Ed Wright
hometownlife.com
USA TODAY NETWORK — MICHIGAN

Watching fireworks explode in the nighttime sky, looking into their loved ones' eyes — heck, even checking out a couple of ordinary blades of grass — will take on a whole new light going forward for a trio of color-blind Detroit area men who discovered the magical effects of

EnChroma glasses Friday morning in Canton.

After living in a world of grays and dull hues since birth, Westland's Mark Yeager, Ann Arbor's Ian Wilson and Eastpointe's Tim Masters experienced technicolor for the first time at Canton's The Vision Center.

While the high-tech specs drastically improved their vision, they also left the trio speechless, at least for a moment.

"It's hard to put into words," Wilson, 33, said moments after he slipped on a pair of indoor EnChromas (an outdoor version is also available). "I can't wait to visit an art museum to see what I've been missing all these years."

"My shoes are dirtier than I thought they were," Masters said with a chuckle, generating laughter from the roomful of media members stationed in the eye center's waiting area.

While people with normal vision see millions of hues of color, color-blind individuals are limited to 10,000 to

20,000 hues, making even the most vibrant garden of flowers a muddy mass of grays, explained Dr. Christine Jack, O.D., an optometrist at The Vision Center.

Some colors — like purple and blue — are indistinguishable for color-blind people.

Pink appears gray, red and green traffic lights look white-ish, while red looks brown and peanut butter is green — at least to the eyes of those affected by the

Plea deal in works for bank holdup suspect

Matt Jachman
hometownlife.com
USA TODAY NETWORK — MICHIGAN

A September trial date has been set, but plea negotiations continue for the man accused of taking hostages during an attempted bank holdup in Canton Township early this year.

Devin Rodriguez, 24, faces three federal charges — attempted bank robbery, using a gun during a crime of violence and forced accompaniment — in the Jan. 25 incident at the Citizens Bank on Canton Center Road, north of Cherry Hill.

He also is also charged with bank robbery and using a gun during a crime of violence in the holdup a week earlier of the Huntington Bank branch on Michigan Avenue, east of Beck.

The charges came in a five-fount indictment handed down by a federal grand jury Jan. 31.

In the Huntington Bank robbery, a man wearing medical dressings on his face brandished a gun and demanded money from a teller at about 4 p.m. Jan. 18 and escaped with an unknown amount of cash, police said.

In the Citizens Bank incident, a man also wearing medical dressings on his face entered the bank at about 3:45 p.m., pulled a semiautomatic pistol and announced a holdup, demanding money from the vault, according to the FBI's criminal complaint against Rodriguez.

A teller pressed a panic alarm when she entered the vault and Canton Police Department officers responded to find the gunman had taken three employees and a customer hostage, the complaint says. The hostages were released following negotiations and Rodriguez, of Canton, surrendered to authorities after a four-hour standoff at the Citizens branch.

hereditary condition.

"We all have red, green and blue cones in our eyes," Jack said. "The green and red cones overlap in color-blind people, making it hard to differentiate certain colors."

"That Jeep that just drove by — the difference between it with the glasses on and with the glasses off was amazing."

Mark Yeager
Westland resident

"With the EnChroma glasses, the number of hues color-blind people are able to see can reach 100,000. It's still not the millions we see, but it can enhance their lives immensely."

Color my world

Once outside, the EnChroma-wearing men marveled at the changing colors of a nearby traffic light, the array of hues in a row of pine trees and the multi-colored peacock graphic that graced the side of a television news van.

Wilson appeared fascinated as he examined the colors of a few strands of grass that he picked while kneeling near the company's entrance.

Yeager and Masters's jaws dropped when they experienced the vividness of a bright red vehicle that drove south along Lilley Road.

"That Jeep that just drove by — the difference between it with the glasses on and with the glasses off was amazing," Yeager said.

"And I can actually make out six different shades on the peacock logo on the side of the Channel 4 truck," Masters said.

"Just looking at these (pine) trees for the first time with these glasses on is

Tim Masters (from left), Mark Yeager and Ian Wilson see the outside world in color for the first time thanks to specially-designed glasses. ED WRIGHT | HOMETOWNLIFE.COM

like, well, mesmerizing," Wilson said. "There are so many more depths and hues than I'm used to seeing. Once I leave here, I just want to drive around and look at things. It's kind of like getting prescription glasses for the first time. Everything is crisper."

"I've seen people try the glasses on for the first time online and a lot of them get emotional. I didn't know what to expect. I'd call what I'm feeling giddiness, excitement and it gets more intense by the minute."

Now that the men can see the world in a vast new technicolor light, they admitted they'll have to re-learn the spectrum of colors.

"I may have to go buy a box of Crayola crayons and start there," Yeager said with a smile.

Approximately one in 12 men and one

in 200 women are color blind, Jack said.

People are diagnosed in a variety of ways.

"When I was 6 or 7 and driving with my mom, I told her, 'Mom, the light turned white, you can go now,'" Yeager said. "We kind of knew then that something wasn't right."

The EnChroma glasses run from \$349 to \$429, depending on the style of frames.

While the glasses don't work for everyone, the success rate is eye-opening, Jack noted.

As of Friday, Canton's The Vision Center was the only eye-care facility in Michigan that offered EnChromas.

Three festivals worth checking out this weekend

David Veselenak
hometownlife.com
USA TODAY NETWORK — MICHIGAN

This weekend's all about dad, so be sure to take him out for a special day. Maybe that involves hitting up the beer tent or maybe it involves watching the kids ride rides until they don't feel well.

This Father's Day weekend, check out these three events happening across the hometownlife.com communities.

Motor City Irish Fest in Livonia

A new tradition in Livonia, be sure to head to Eight Mile and Newburgh this weekend to celebrate great food, beer and music.

The Motor City Irish Fest, returning this weekend to Greenmead Historical Park, 20501 Newburgh, will see the celebration of all things Irish. More than 20 bands are expected to perform over the weekend and plenty of food from fish and chips to corned beef sandwiches will be on sale to fill festival-goers bellies.

Plenty of Irish drinks will be consumed in the beer tent, including perennial favorites Guinness, Smith-

wick's and Harp. New this year is a Jameson Pallet Bar, where several products will be for sale. And to "work off" that alcohol, a new zero-kilometer "run" will take place. A traditional Irish Mass will be celebrated at noon Sunday as well.

The festival runs 5-11 p.m. Friday, noon to 11 p.m. Saturday and 1-7 p.m. Sunday after Mass. For more information, including ticket prices, go to motorcityirishfest.com.

Liberty Fest in Canton

Celebrate this weekend in Canton's Heritage Park as the annual Liberty Fest returns.

The celebrations begin Thursday afternoon at the park, 1150 S. Canton Center Road, with plenty of rides, midway games and more to kick off the summer season.

The sixth annual Liberty Run starts Saturday morning and will see runners take part in one-mile, 5K and 10K events. Also returning this year is the Canton Lions Club Pancake Breakfast. Two stages will provide plenty of music throughout the weekend, while the fireworks show Saturday night caps the celebration with a bang.

For more information on the festival, including ride ticket information, food and music options, go to cantonlibertyfest.com.

Summer Festival in Redford

Can't get enough celebrations of freedom? Then after you check out Liberty Fest in Canton, head to Redford Township for the annual Summer Festival at Bell Creek Park.

The celebration kicks off Thursday at the park, located at Five Mile and Inkster roads, and will feature more rides and special events throughout the weekend. Fireworks will light up the sky Friday night, while plenty of cornhole and mega soccer darts will be had and free face painting and Father's Day crafts will also take place Saturday afternoon.

The festival runs 6-10 p.m. Thursday, 6-11 p.m. Friday, noon to 11 p.m. Saturday and 11 a.m. to 9 p.m. Sunday. For more information, including a musical lineup, go to the Redford Township Summer Festival's Facebook page.

Police negotiated with a man who had taken four hostages Jan. 25 at a Citizens Bank branch on Canton Center Road. Devin Rodriguez, 24, now faces federal charges in that incident and in the holdup of another bank a week earlier. BILL BRESLER | HOMETOWNLIFE.COM

Suspect

He remains in federal custody while awaiting trial, said Gina Balaya, spokeswoman for the U.S. Attorney's office in Detroit. The case is before Judge Nancy G. Edmunds in the U.S. District Court for the Eastern District of Michigan.

A trial had been scheduled for May 23, but in court documents filed last month, the prosecution and the defense agreed to postpone the trial until Tuesday, Sept. 18, in order to give themselves time to negotiate a plea agreement.

Rodriguez is represented by Nancy McGunn of the federal public defenders office.

The Park radio station announces scholarship winners

The staff at WSDP-FM (88.1), known as The Park, celebrated the completion of a successful year with its annual banquet May 31 at the Fox Hills Golf and Banquet Center in Plymouth. The main focus of the evening was to honor graduating seniors and scholarship winners. Each year, WSDP awards three scholarships. Five students received scholarships this year.

■ The Jeffrey L. Cardinal Scholarship is named after the station's third general manager, who served at the station from 1974-82. The scholarship recognizes dedication to the station over four years. The student must have a complete understanding of the station's role in serving the community and have experience in many areas of the station's operation. This year's winners were Serafine Hinz, Salem senior, and Saba Mangla, Plymouth senior.

Hinz

Hinz joined the station as a freshman and served as operations manager her senior year and promotions director as a junior. She is also a gifted on-air host and produced the station's fundraising concert, Rock the Park. She won several Michigan Association of Broadcasters Foundation High School Radio Awards. She'll be attending Central Michigan University for its highly regarded broadcast and cinematic arts program.

Mangla

Mangla also joined the station as a freshman and served as public affairs director her senior year and news director as a junior. As public affairs director, she created a new show called "On the Beat" that gave listeners an opportunity to ask questions to local law enforcement officers. Her work has also been praised by the Michigan Association of Broadcasters Foundation. Mangla will attend Schoolcraft College for its award-winning culinary program.

■ The John Seidelman Scholarship is named after the station's longtime adviser, who served in that position for 18 years. He also taught English and was a counselor at Canton and Plymouth High Schools. The scholarship recognizes dedication to the station and academic success. This year's winner was Emma Menebroker, Plymouth senior.

Menebroker

Menebroker joined the station as a sophomore and served as the station's sports director as a senior. During her time as sports

director, she revamped the station's training program for play-by-play announcers. She was honored by the Michigan Association of Broadcasters Foundation with an award for her current events broadcast. She will continue her studies at Loyola (Ill.) University, where she will work on an interdisciplinary program.

■ The Bonny Dore/WSDP Founder Scholarship is named after the station's founding station manager, who went on to a career in media, eventually starting her own television production company in Los Angeles. The scholarship recognizes dedication to the station and interest in pursuing a career in broadcasting or a related field. This year's winners were Maxim Jenkins, Plymouth senior, and Rebekah McBride, Canton senior.

Jenkins

McBride

Jenkins served as the station's fundraising director as a senior. He led the station's most successful auction fundraiser, helping to raise more than \$19,000. His work was honored by the Michigan Association of Broadcasters Foundation with several awards, including first place for talk show and sports public service announcement. He'll study political science and journalism at Michigan State University.

McBride served as news director this year. She was the station's top news writer and reporter and was a very talented interview host. Under her leadership, the station revamped the news training process and she developed a critique system for writers. She received a first-place award for sports public service announcement from the Michigan Association of Broadcasters Foundation. She will attend Michigan State University to study international relations and political science, with an interest in journalism.

"Saba, Serafine, Emma, Maxim and Rebekah have set the gold standard for directors during their time at 88.1," said Bill Keith, station manager, "They are a big part of our successes this year. Their hard work sets them apart and is why they will be missed by our entire staff."

The station also recognized seniors, staff and director's award winners and those students that were chosen for directorships in the 2018-19 school year. The station also presented two Dr. Andrew Melin WSDP Distinguished Alumni Awards to Rob Milford, Plymouth '73, and Glenn Bar, Canton '82.

Driver ejected, killed in I-275 rollover crash

Matt Jachman
hometownlife.com
USA TODAY NETWORK — MICHIGAN

A 39-year-old man was killed Friday morning in a rollover crash on northbound I-275, near Ford Road.

A preliminary investigation showed the man was driving a 1996 Ford when one of its tires blew out, according to the Michigan State Police. The driver lost control of the vehicle, which rolled over, and he was ejected, police said.

The man was not wearing a seat belt, police said. There were no early reports of passengers in the Ford or of other vehicles being involved.

The crash occurred shortly before 7 a.m., causing police to close the freeway's northbound lanes for several hours.

Troopers from the MSP's Metro South post were investigating the crash.

Powers earns lead role in 'Mamma Mia'

Lindsay Powers of Plymouth, a 2012 graduate of Canton High School, is playing a lead role in the musical "Mamma Mia" at the Croswell Opera House in Adrian.

The musical, which was adapted into a movie in 2008, features 23 songs by Swedish pop group Abba. Powers plays Sophie, a young woman who invites three of her mother's ex-lovers to her wedding in an effort to find out which of them is her father.

While in high school, Powers was involved in the Park Players Theatre Co., Festival Singers and Madrigals. She also has performed with Forever After Productions and the Plymouth-Canton Ballet Co. and, last summer, was a member of the apprentice company at The Barn Theatre School in Augusta.

She attended Western Michigan University, graduating in 2016 with a BFA in music theater performance.

The Croswell is a 640-seat historic

theater in downtown Adrian. More than 200 performers from across southeast Michigan and northwest Ohio auditioned for roles in the theater's 2018 summer season, which also includes the musicals "She Loves Me" and "Bar-num."

The Croswell's production of "Mamma Mia" opens June 15 and runs through July 1. For more information, go to croswell.org.

Plymouth pours it on in regional final

Delivering a pitch through the raindrops Saturday is Plymouth's Jenny Bressler. MICHAEL VASILNEK | SPECIAL TO HOMETOWNLIFE.COM

Two-homer game by Holden, 14 strikeouts by Bressler propel Wildcats to 9-2 win over Allen Park

Tim Smith
hometownlife.com
USA TODAY NETWORK — MICHIGAN

With Jenny Bressler mowing down Allen Park hitters with pinpoint control and a blazing rise ball, the Plymouth Wildcats knew they didn't need to score a ton of runs during Saturday's Division 1 regional final.

Of course, when the senior and recent winner of Michigan's Gatorade Softball Player of the Year Award trotted out to the middle of the infield to pitch the bottom of the first inning against Allen Park, the Wildcats already were up

2-0 on RBI doubles by sophomore Angela Schmidt and junior catcher Ari Bartholomew.

Plymouth went on to post a 9-2 win — with senior outfielder Whitney Holden ripping a pair of homers, including a grand slam — to earn the program's first regional title since 2015. That year, Bressler, Holden and outfielder Jessica Tucci were freshmen.

With the triumph, the Wildcats (31-5) advance to the D-1 quarterfinal scheduled for Tuesday at Chelsea High School.

"You're never really expecting to hit a home run, you're going up swinging for a

base hit," Holden said. "We had runners on and I just wanted to score them and help my team."

Comfort zone

Holden's grand slam — over the fence in left-center — opened up a 7-0 lead in the fourth and she tacked on a two-run blast in the seventh. The game was played in the rain at Southgate Anderson.

"Today we (coaches) kept telling the girls, 'They put up a lot of runs, we can never be satisfied,'" Plymouth head coach Lauren Evans said. "And Whitney answered that call and made sure that the game was out of reach."

Rice's reign is over as CC's late rally results in state crown

Marty Budner

USA TODAY NETWORK — MICHIGAN

There is a new Division 1 boys lacrosse state champion. Brother Rice's incredible 13-year reign is over.

Arch rival Catholic Central knocked off the Warriors in the Division 1 state championship game played Saturday at Parker Middle School in Howell. In a fierce battle that went down to the final

minutes, the Shamrocks emerged with an 11-10 triumph.

This year marked the eighth time — including the last five in a row — the teams have played for the state title. The Shamrocks finally brought home their first state championship trophy and it couldn't have been sweeter for Dave Wilson who took over as CC's head coach in 2005, when Rice captured its first MHSAA state title.

"Obviously, it feels good. These kids

have worked exceptionally hard, some of them for four years and some of them just since January," said Wilson, whose team finished 19-2. "But it's a bit of a relief. It just feels great to see the fruition of a lot of hard work come together."

The game-winning goal was scored by Shamrocks senior midfielder Ethan Pattinson with three minutes remain-

Northville turns double play to capture regional

Mustangs advance for second straight year with win over Lakeland

The double play ball became Northville's best friend and it's the reason the Mustangs remain alive in the MHSAA Division 1 baseball state tournament.

It took another sterling defensive effort Sunday as the Mustangs edged White Lake Lakeland, 1-0, to capture the regional title at Novi for the second year in a row.

Northville, last year's Division 1 runner-up, moves into the state quarterfinals scheduled for Tuesday at Wayne State University to face Birmingham Brother Rice.

"You can't explain it," said Northville coach John Kostrzewa, whose

Plymouth finishes one hit short of regional glory

Tim Smith

hometownlife.com
USA TODAY NETWORK — MICHIGAN

The chance to make school history was one base hit away Saturday for the Plymouth Wildcats.

Instead, Saline pitcher Ryan Steinhauer struck out Plymouth senior Chase Every, leaving the potential tying and winning runs on base in the bottom of the eighth inning.

The defending state champion Hornets escaped with a wild and crazy 5-4 win at Southgate Anderson, while the Wildcats could not quite capture their first regional title.

"That's baseball at its finest," said Every, who in his previous at-bat stroked an RBI double down the left-field line to key Plymouth's game-tying surge in the seventh. "Both teams will do great things, both teams will mess up. Somebody had to win and today we just weren't lucky enough for it to be us."

Every gave credit to Steinhauer, a lefty who entered the game with two on and one out and Saline nursing a 5-3 lead (thanks to two unearned runs in the top half of the inning).

After senior Kyle Aniol was retired for the second out, junior Anthony Sharkas smacked a double to center to plate junior Nolen Dingelday. Next up was Every, who did not have an answer for Steinhauer.

"I got a fastball and I had it timed up," Every said "It was a ball, so I didn't swing at it. Next one was a change-up, same delivery, same arm slot and it fooled me. I swung early. Similar things the next two pitches. He had my number that at-bat."

Senior catcher Zach Beadle, however, had Every's back despite the game-ending strikeout.

Enthusiastically reaching second base after his RBI double against Saline is Plymouth's Chase Every. MICHAEL VASILNEK | SPECIAL TO HOMETOWNLIFE.COM

"There's not another kid I would want up at the plate at that point," Beadle said. "You put Chase in that spot again, there's not a doubt in my mind that he'd come up for us."

Plymouth (28-12) trailed most of the afternoon, after senior starting pitcher Evan Good gave up three runs (two unearned) in the second. Saline southpaw starter Cole Daniels, who will pitch at Division I Kentucky, had to leave the game in the sixth after reaching the maximum pitch count (105).

But the Wildcats drew even in the bottom of the seventh on the Every double and two wild pitches.

Saline, however, quickly broke the 3-3 tie against senior relief pitcher Rob Begley.

Two walks sandwiched around a single by Logan Evans loaded the bases with one out and Plymouth head coach Jason Crain brought in his infield to face Vinnie Patteri in hopes of preserving the tie.

Patteri then hit a grounder that scooted on the wet grass under the short-

stop's glove, putting Saline into a 5-3 advantage.

"I think the ball was a little slick coming off the grass, a little rain," Crain said. "It's a ramped up team, this team is probably the most passionate team we've ever had here."

"It's 95 percent of the time it's for the good and, occasionally, when you take a passionate group like that, it's going to fall on the other side sometimes, too."

"Got to be proud of them, they did a great job and had opportunities to win that game. Probably should have."

Despite the heartbreaking loss, Crain said the baseball program continues to grow. Plymouth won the district title for the fourth year in a row and also earned division and conference championships.

"We'll get there, these boys are learning," Crain said. "That first couple years they got here, they were kind of seeing what it was all about, obviously wanting to win, but not quite getting there."

"This group expected to win and last year's group expected to win. Each year it builds a little bit."

Following are several other takeaways:

A RECORD YEAR

In addition to the Wildcats posting a team record for wins, Crain said both Good and junior pitcher Dylan Brown finished with identical an 8-1 record to share a Plymouth mark for individual pitching victories.

"Evan's been dominant for two months, he's 8-1, school record for wins along with Dylan Brown," Crain said. "He's a bulldog on the mound, he's everything you want out of a senior pitcher and leader on the mound."

GROUP TO REMEMBER

All eight Plymouth seniors (Good, Ev-

ery, Beadle, Aniol, Begley, Jake Cain, Logan Dziadzio and Mitchell Harber) had a postgame huddle with the coaching staff as good-byes were said and hugs exchanged.

"You know, our senior class, we've won districts four years in a row," Every said. "I don't think you can ask more of a program to just go out there and give everything they got."

"I think every senior on this team, everybody on this team left everything they had on the field."

Good added that "I love all these guys with all my heart, they made the four years — three years for me, since I transferred — enjoyable. I love these boys. We played hard. It's unfortunate it had to come to an end."

Beadle chimed in that the 2018 Wildcats "set the standard, we set the record for most wins in school history, won the first conference championship, won the first division in four years. It's just all about us being leaders and showing our passion for the game."

COLLEGE-BOUND

Plymouth will enjoy a mini reunion of sorts next year, with three players moving on to Madonna University in Livonia.

Those include Aniol, Dziadzio and Beadle — the latter who recovered remarkably from a broken leg suffered during the football season and showed he could still play a solid all-around game.

Good will pitch at Northwood University, while Begley is set to play at University of Michigan-Dearborn. Every hopes to walk on at Michigan State.

Norwayne Boxing Gym stages two-day amateur tourney card

Brad Emons

hometownlife.com
USA TODAY NETWORK — MICHIGAN

After opening the Norwayne Boxing Gym three years ago, owner Jeff Styers believes now is the time to unveil some of his talented fighters.

And they will be on display Saturday and Sunday, June 16-17, for city of Westland Boxing Challenge Tournament at Mike Modano Ice Arena, 6210 N. Wildwood, in Westland.

The Father's Day USA Boxing-sanctioned amateur event is a fundraiser for the Norwayne Boxing Gym and will feature 10 different weight classifications with 40 boxers and 20 bouts (ages 6-22).

Three of Norwayne's boxers, headed to the junior nationals later this month, will be on the card as action begins at 5 p.m. Saturday and 2 p.m. Sunday. (Doors open at 4:30 p.m. Saturday and 1:30 p.m. Sunday.)

Tickets each day are \$15 for adults and \$10 for children. Some V.I.P. ring-side tables remain available (at \$250 each). The event will be hosted by Mike Bonner of radio station WFDF-AM (910) and comedian TBarb of the Aries Experience.

"We have amateur teams from Canada, Cincinnati, Indianapolis and Chicago that will be coming in, so it's going

to be some of the top teams from the region going at it for a two-day tournament," said Styers, who was appointed by Gov. Rick Snyder as vice chairman overseeing professional boxing and mixed-martial arts in Michigan.

Styers

When the former Jefferson Barns Elementary School, 32150 Dorsey Street, was converted into a community center, Styers, a former amateur and pro boxer himself, came up with an idea.

"I decided to get back into the sport and, when this opportunity came up, I always wanted put a gym in the neighborhood I grew up in," said Styers, who is CEO of Arrow Strategies, a national contract staffing firm headquartered in Southfield. "Norwayne is a pretty impoverished area, so for these kids, it's having a pretty big impact. From there, I kind of forged the deal and opened up the gym there. It's just not boxing. We have a mentoring program with the University of Michigan boxing team. We have tutoring and we have a computer lab. And we're in the process of putting together a scholarship program. We're trying to make these kids well-rounded, but with the

ing in regulation time.

"Joey Kamish drew a slide and I just came around backside, beat my man topside and just bounced it right between the goalie's legs," said Pattinson, a three-year varsity veteran and one of three captains. "It was phenomenal. Holding up my jersey and representing the Shamrocks in my last game, this is what I die and what I bleed for."

"It's just tears. Tears of joy. Just going over to my parents and going over to my friends I had tears in my eyes," he added. "We knew it was going to be hard and we knew it was going to be a battle. It's the best rivalry in the state of Michigan. We pulled through and it's the greatest feeling."

CC beats Rice for third time

Brother Rice lost to CC twice during the regular season — 10-9 in overtime and 11-8 in the Catholic League championship game. The Warriors were determined to retain their state title in the third encounter.

It didn't work out as the Warriors let a three-goal lead slip away in the final quarter and were forced to settle for the runner-up trophy for the first time in program history.

"It is what it is. They outplayed us in the last five minutes and they won," Rice head coach A.J. Chawla said. "I think maybe the monkey is off our back now. A streak is not going to last forever. These guys worked their butts off all year and we just didn't have it when we needed it this year."

"Our guys came in with a lot of pressure," he added. "The amount of pressure our guys played with over the last 14 years, having to repeat every time, is a ton of pressure. I don't think there is less pressure. In fact, I think there is more pressure and it's a shame. Every team is different and these guys

worked just as hard as every other one, they just didn't end up on top."

CC rallies late to win

It was a game of emotional runs.

CC took the early lead, soaring to a 3-0 advantage after the first quarter, only to have Rice battle back to forge a 5-5 halftime tie. Rice led 8-7 after three quarters and scored the first two goals of the final quarter to go up 10-7.

The Shamrocks then responded with four straight goals in just a little over a three-minute span to win the game. CC basically held the ball for the final minutes to register the historic victory.

"I think any coach will tell you lacrosse is a game of runs," Wilson said. "They went on their run. We always know we kind of have to weather the storm and we'll get one. We have a very deadly offense and they just need the ball. So once we get the ball, we know it's going to make its way into the back of the net."

Junior Joe Kamish led CC with five goals, while Pattinson finished with three. Sophomore Ryan Sullivan scored twice and senior attack Peter Thompson accounted for the other Shamrocks goal. CC goalie Jakob Hemme had 12 saves.

Rice sophomores Pat O'Hara and D.J. Dixon both scored three times. The other Warriors scorers were Jordan Hyde (two), Justin Glod and Mike Cosgrove. Rice goalie Jack Michael made nine saves.

"It's tough. But listen, we're going to come back and fight hard," said Chawla, whose team finished 13-8. "I know everybody is going to put in bright lights that we're done and that the era is over. But I guarantee you we're going to come back and we're going to regain this."

"Brother Rice is not down and out," he added. "We made it to the championship game and lost by a goal. By no means are we out."

The Clarenceville Trojans captured their first baseball regional title with a 6-2 win Sunday over Center Line.

Clarenceville breaks through in regional win

Brad Emons
hometownlife.com
USA TODAY NETWORK — MICHIGAN

Livonia Clarenceville arrived Sunday at Madonna University's Ilitch Ballpark hot and ready for an MHSAA Division 2 baseball regional title.

And the Trojans made history earning by earning their first quarterfinal berth with a 6-2 win over Center Line.

Clarenceville, which improved to 17-13, advanced to the regional final with a 4-2 win Saturday over Melvindale thanks to the six-hit pitching of Nick Bisaro and led Center Line 3-1 in the championship game before play was halted after four innings Saturday because of rain.

"It was amazing, our kids came to play," Clarenceville coach Craig Cotter said. "We played stellar defense and threw strikes. Nick Bisaro has been our horse all year. In Game 1, he walked nobody and, in Game 2, we committed no errors today in the championship game. So we had only two errors all weekend."

Clarenceville used three pitchers to limit Center Line (22-11) to just four hits. Logan Calimazzo started and went the first four. Zach Jones threw the fifth and sixth innings before handing it over to Nick Shute in the seventh.

The Trojans, who jumped out to a 3-0 lead, got a key two-out, two-run single in the first inning by junior Nick Snage, who collected two hits for the game.

Center Line got runs in the second and fourth innings, but the Trojans put it away in the sixth with three runs as senior Brad Trout had an RBI single. Trout and Zach Topolewski also scored on passed balls.

In the win over Melvindale, Bisaro raised his record to 9-2 with a complete game victory. He allowed one earned run, struck out five and did not allow a walk. His earned-run average this season is 1.43.

Offensively, Snage went 2-for-3 with an RBI, while Demond Scrutions added two hits. Jones added an RBI single.

Last year, Cotter guided the Trojans to a district crown and the regional final before losing 12-2 to Dearborn Divine Child.

"To win this for the school and to turn this program around and become a baseball school in the last five years has been pretty amazing," Cotter said.

Softball

During the game against Allen Park, Evans, who also coached the 2015 regional champions, turned to one of her players from that team who is helping coach the current squad.

"I looked at someone who was on the 2015 team, Rachel Zerna, and I said, 'Man, that 2015 team was great, but this team just hits the ball,'" Evans said. "And I think they exhibited that today. Any pitch that was thrown, we put good swings on a lot of them, especially the mistakes of the pitchers. And we made it count, 14 runs in the semi-final game (against Ypsilanti Lincoln), nine in this championship game.

"These kids are just eager and ready to win, ready to play, ready to swing," Evans added. "And these seniors are definitely hungry. In 2015, we ended a little short of our goals and they know this is the last chance and they want to make something happen."

The outcome really was never in doubt, especially with the early runs and Bressler again dominant from the circle.

"My offense really had my back, we kept scoring a lot of runs," said Bressler, who struck out 14 and gave up just two hits — both to Kelsi Littleton.

The two runs in the top of the first also helped her relax when it came time to get down to business against the Jaguars. "It takes a lot of pressure off, actually," she said.

Bressler said winning the regional as a senior has a bit of a different feel than it did in 2015.

"I just feel a lot more comfortable now," Bressler said. "I've been in this position before. It's a familiar feeling and I like it."

Holden emphasized that this year's regional title "feels the same, we're very excited about the win and we're excited to move on."

"It's an amazing feeling, we played really well today," Tucci said. "We came out strong and played strong the entire day, both games."

Tucci beamed when asked about whether or not this year's regional title equaled or surpassed the one earned her freshman year: "Yeah, there's no words. It's really amazing that we've been able to do that."

All-out effort

For a while, Bressler looked as though she would duplicate the no-hitter she threw against Salem during the the district.

She retired the first 12 Jaguars and received a great defensive effort from sophomore second baseman Alexis D'Alexander to close out the fourth.

Alyssa Lake ripped a one-hopper that looked targeted for right field. But D'Alexander dove to her left, caught the ball, got up and fired a strike to first baseman Sophia Dibbles.

"I realized I had to dive for it, to just help Jenny out in the field," D'Alexander said. "It's great, because I'm a sophomore and so I still got two more years so, hopefully, we can keep it going."

"But I'm really happy for the seniors, so that they could get a regional their last year, too."

Others contributed to the attack. Starting off two of the Plymouth rallies with a single each time was junior shortstop Haley Gagnon, while junior third baseman Kiersten Metz doubled.

Meanwhile, Bressler said a big assist for whenever she gets into a pitching groove goes to catcher Bartholomew.

"She helps a lot, she frames very well and she blocks a lot of balls for me," Bressler said. "She does really well behind the plate."

Plymouth reached the regional final with a 14-1 trouncing of Ypsilanti Lincoln, in a game that required five innings to complete.

"We just put the ball all over the field," Evans said. "Sophia Dibbles had two doubles, one off the fence. Everybody hit the ball that game. It's been amazing."

Baseball

team improved to a school-record 33-7 overall. "Baseball is so unpredictable. You get to this type of tournament, it's one-and-done and you're facing good teams with good pitching and good defense, you absolutely have to have some luck involved and for a lot of years we didn't have a whole lot of luck once we got to this point, so it's nice for this group of seniors to be back again."

Clinging to a 1-0 lead heading into the bottom of the seventh, Northville starter Ben Schmidt, who held the Eagles scoreless on just four hits on 93 pitches through six innings, walked lead-off batter Trevor Lauer.

Cade Parmeter bunted over Lauer and Kostrzewa made a pitching change, going to his side-arm throwing closer Jordan Shaffer, a senior right-hander.

"I kind of kicked myself," Kostrzewa said. "I wanted to probably bring (Shaffer) in the bottom of the seventh there at the start and let him start the inning, but I owed it to Ben, being a senior and pitching the way he did, to at least give him a shot to go out there and start it."

Shaffer got Patrick McDonald on strikes, but the ball got away momentarily from catcher Billy Flohr, who threw high to the bag as ball squirted

over the outstretched glove of first baseman Steve Morrissey.

But second baseman Nick Prystash alertly was there to back up the play and prevented Lauer from scoring from third base and McDonald going to second.

With runners at first and third, Lakeland freshman Kevin Krill then drilled a hot shot up the middle, but Prystash went down to his knees, gloved it, fired the ball at second to Alex Garbacik, who made the turn for the dramatic game-ending double play.

"It's nothing we hadn't practiced before, that's why we spend so much time doing it during the week for times like this when you need it the most," Prystash said. "It was a great turn all the way around. We got it done and won the game."

In the second inning, Prystash made a diving grab to rob Krill of a hit. And his heads-up backup play before the game-ending double play as also a run saver.

"As a team, you've got to pick each other up," Prystash said. "When one of us makes a mistake, we have to be there and help pick them up, keep moving forward and that's exactly what we did. Got the two outs and came together as a team at the end."

Lakeland starter Aaron Ball, a hard-throwing right-hander, matched Schmidt nearly pitch for pitch.

But the Mustangs were able to

scratch out the only run of the game in the top of the fifth, on a lead-off second single by Trevor Schornack, a fielder's choice ground out by Spencer Ziparo followed by an RBI double by Jake McWilliams, who also made a couple of clutch defensive plays in right field.

"Great to see a senior in Jake McWilliams, an outstanding kid, to be able to get a hit in that situation in the nine hole," Kostrzewa said. "You just love seeing that stuff as a coach, because he's the kind of kid that you root for."

Ball went all seven innings, allowing just five hits. He struck out five and did not allow a walk while hitting one batter.

"He had a great year," Lakeland coach Brad Farquhar said of his starter. "He's somebody I'm very, very proud of because he came a long way in his four years of high school, not just on the field, but off the field. I'm very, very proud of Aaron this year."

Prior to the game-ending double play, Farquhar was reluctant to bunt.

"A lot of times in that situation, we will squeeze," Farquhar said. "But that situation didn't come up because they brought their submariner in, which we had never practiced that squeeze against a submariner. That will be in our practice plan from now on. Our hitter, our ninth-grader, did everything right. He hit the ball hard, the shortstop made a heck of a play and they turned two." Lakeland, the Lakes Valley Confer-

ence champion, ended its season 33-9

"We couldn't take it as far last year, because we couldn't hit," Farquhar said. "Very good hitting team, our pitcher did a great job and our defense did as well."

"Best team in school history - No. 1 No. 2, the fact that our 10 seniors established something that's not going to be rare around here. We're going to do it again, we're going to keep getting better and we'll back at this point."

In the fourth and sixth innings, Northville also came up with big plays to cut down Lakeland runners trying to advance to second base, one time on a 4-3-6 relay after and an error, the other on a throw from McWilliams to Garbacik to nail Grant Burns, who was trying to stretch a single into a double.

"I think defensively and pitching has always been our philosophy and, hopefully, we can eke out a few runs here and there," Kostrzewa said. "But you've got to be able to catch and throw and we spend a lot of time on defense throughout the course of the year. All week long, we've been working on the double plays, but we really had an emphasis on it this week. And bringing in (Shaffer) in that situation, you're looking to keep it down and get something on the ground. It couldn't have worked out any better for us."

Styers, who graduated from Wayne Memorial High School, started boxing at age 15 and had a total of 102 amateur bouts, going 98-4. He enlisted in the U.S. Marine Corps in 1984 and joined the marines boxing team, winning the all-military title for his weight class in 1985.

He turned pro in 1988 and was undefeated before retiring in 1992 at age 26.

"Just kind of had an epiphany to do something different other than fighting," Styers said. "Everything was great, but I wanted to do something else, so I went into business."

The Norwayne Boxing Gym puts a high emphasis on its Four Corners of Achievement mantra, which is athletics, education, service and leadership.

"Especially because it's disadvantaged youth that come to us, the whole idea just isn't to get kids in the ring, teach them how to fight and get them out ... it's more about increasing their confidence," said Jan Mnich, a publicist for the Norwayne Boxing Gym. "Their learning helps them be better individuals, so if they keep growing, they'll be able to contribute more

and go farther within themselves."

Former Detroit pro boxer Erskine Wade serves as Norwayne Boxing Gym's head trainer, but he also serves as mentor and role model for the youths.

"The stuff he does for these kids ... all the school principals in Wayne-Westland know who Erskine is," Styers said. "He was the Citizen of the Year in Westland last year, got letters of commendation from the governor on down. Just a really great guy who puts his heart and soul into these kids. He takes them to get a haircut, takes them to the mall, just does everything for them. Runs interference, because a lot of them don't have dads, so he becomes their surrogate dad. Just a great guy."

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
